

Paving Project Information

Fixing Eugene's Streets

13th Avenue and Interior Street Pavement Preservation Project

Paving of 13th Avenue from the west side of Bertelsen Road to the east side of Commerce Street and paving of Interior Street from the north end of the cul-de-sac to the south end of improved section.

Project Overview

- The surface of 13th Avenue and Interior Street is planned to be rehabilitated by removing the top layers of asphalt pavement and repaving the street.
- The intersection of 13th Avenue and Interior Street is showing signs of significant deterioration, therefore the existing pavement and base rock will be completely removed and replaced.

Construction Schedule

- The City anticipates advertising this construction contract in early 2014.
- Construction is planned for late spring/early summer.

Traffic Impacts

- 13th Avenue will be closed at Commerce Street during construction.

Project Funding

- The major funding source is the 2012 Street Bond.
