**Make smarttrips in the Bethel area**

Look inside to order free travel tools for walking, biking, riding transit, carpooling, combining car trips and other ways to save resources.

Give it a try. It's good for our city—and good for your health!

You have transportation options for getting around Eugene by walking, riding your bicycle, riding public transportation and more.

**Get your FREE travel tools**

You have options! Transportation options for making **smarttrips** in Eugene, that is! Let us get you started with the Travel Tools you need to get walking, biking, taking transit and more.

The Bethel Neighborhood is full of wonderful parks, local businesses and many transportation options. **Smarttrips: bethel** will help give residents the transportation tools to take advantage of the numerous bike routes and trails, walkable streets and sidewalks and LTD buses.

Swapping one or two car trips a week for a bus, walk, bike, or carpool trip could reduce neighborhood traffic by 10 percent - Yes, 10 percent (as shown in similar programs across the country)! You can directly decrease your gas costs while also increasing community and traffic safety. You've got nothing to lose — except maybe a few pounds!

**Get Going! Get Fit! Make a Difference!**

Order your travel tools – at **NO COST** – and choose your **FREE** reward!

The City of Eugene – **smarttrips** program is offering, at no cost to you:

- City of Eugene and LTD information
- Walking and biking maps
- **Smarttrips** event calendar
- Guides to getting around Eugene without your car

Choose just one or two items or order a packet-full – whatever you need to get going. Within two weeks of your order, we will hand deliver your materials by bicycle.

As a bonus, you can choose one of three rewards – either a nifty umbrella, a cotton bandana printed with Eugene's famous citywide walking and biking map or a BPA-free metal water bottle – just for returning your order form. Order while supplies last!

Look inside to order maps, info and more to start walking, biking, riding transit, carpooling, combining car trips and other ways to save resources.
