

Churchill Area Neighbors: Eugene Neighborhood Survey Results

More than 4,600 community members responded to the recent Eugene Neighborhood Survey, providing useful information about what they like in their neighborhoods and what they would like to improve. Conducted during the summer and fall of 2009, the survey was developed in partnership with neighborhood leaders and the UO's Community Planning Workshop. Neighborhood associations, as well as City staff and other community groups, distributed the survey with a special emphasis on reaching people who have not participated in neighborhood associations and underrepresented groups. These efforts paid off, as results indicate that survey responses are a good representation of the city population in terms of age, income, race/ethnicity, gender, and home ownership.

Responses for Churchill Area Neighbors NA were 277, about 2% of the neighborhood's total population. Respondents were 23% renters and 70% homeowners. Twenty-four percent of respondents' household income was less than \$30,000, 35% between \$30,000-60,000, and 41% more than \$60,000. The race/ethnicity breakdown of respondents is as follows: 73.1% White, 9.4% Multi-racial, 9% Latino/Hispanic, 2.4% Asian, .8% Native Hawaiian or Pacific Islander, .4% American Indian/Alaskan Native, .4% Black/African American, , and 4.5% other. The respondent age was predominately 25-64 years old (68%), with 26.5% ages 17-24 and 5.6% 65 or over. For planning and outreach purposes, the Churchill Neighborhood Analysis should be consulted to compare actual demographic make up to the demographic make-up of the survey respondents. Gaps may exist.

Forty-nine percent of respondents had not participated in their neighborhood association, but 36% expressed an interest in being connected. Survey data should be consulted for information on what would encourage respondents to be more involved and what respondents view as the neighborhood association's primary role.

Overall, Churchill Area Neighbors results show that respondents have generally positive views of the quality of life in the Churchill neighborhood. When asked about what they would like to improve in Churchill, safety was the most frequent response, followed by connection to people in the neighborhood, parks and natural areas, bus service, access to services, and recreation options.

Neighborhood surveys are considered a best practice in neighborhood planning initiatives. The survey provides a wealth of information for neighborhood associations and the City of Eugene, as we work to increase involvement and participation in neighborhood associations and improve neighborhood livability. The full results of the Eugene Neighborhood Survey are posted online at <http://www.eugene-or.gov/neighborhoodsurvey> including neighborhood-specific reports. 1	there are a lot of amenities within walking distance	Aug 4, 2009 3:12 PM
2	We have good access to Parks & Recreational Services in my neighborhood.	Aug 10, 2009 9:04 PM
3	we live on a cul de Sac with no street name. It says "Dead End". we have a hard time directing folks to our home since the address is Warren Street. most folks pass our cul de sac and stay on warren st. could the city name our cul de sac Warren? also the skate park on Churchill High property has always been an eye sore because the users leave their trash everywhere. The area needs more trash cans and a better system for cleaning up the mess. I did complain about this before and it is much better than it was. glad for the upgrade of Bailey Hill road. should be great when it is done.	Aug 11, 2009 4:49 PM
4	Very poor surface streets	Aug 12, 2009 4:23 AM
5	There should be a Community Center in My Neighborhood.	Aug 12, 2009 8:55 AM
6	I feel connected to neighbors here and there, but the overall feeling of the neighborhood is 'spotty' and not cohesive in its character.	Aug 20, 2009 4:49 AM
7	Speed on Bailey Hill is bad but it appears will be taken care of with present work. Could use better lighting and/or visuals on drive entrances to Churchill Estates.	Aug 20, 2009 6:23 PM
8	My neighborhood is having more and more problems with theft, vandalism and drug-related activities. I feel fairly safe, except if walking alone at night. I do worry about my vehicles, home and pets.	Aug 25, 2009 7:11 PM

11	Sidewalk repair, trees overhanging sidewalks, natural areas overgrown	Sep 14, 2009 5:29 PM
12	The traffic in the West 11th area is atrocious and getting worse.(THANKS KITTY) If they do the bus route thru there it will cause a great deal of harm to the businesses. It will not help the situation it will make it unusable. We have more than adequate public transportation. The EMX is a joke. Many people traveling that route live outside of the city.	Sep 14, 2009 8:19 PM
13	People speed way too fast on City view. They drive upwards of 50mph and the limit is 25. please put in some speed bumps before a child or pet is killed.	Sep 14, 2009 8:31 PM

19	My neighborhood boundary is too big, encompassing many different types of areas. Boundaries should ideally be smaller.	Oct 2, 2009 1:09 AM
20	It is a real shame that so much effort is put into building community living spaces in every part of town except the Churchill neighborhood. It is equally sad that it took the death of a young boy by a speeding motorist to finally get the city's attention to the need slow traffic down in this part of town.	Oct 3, 2009 1:13 AM
21	There is no bus service in the country, although our home business still pays taxes on it.	Oct 14, 2009 11:27 PM
22	Noise from chain saws, leaf blowers, lawn mowers, neighbor kids working on souped up cars, and the incessant barking of some dogs will ruin what would otherwise be peaceful days or nights. Likewise, some safety lighting can be too much if it's constantly tripping and the light is glaring. Not sure much can be (or should be) done about these relatively minor things, but maybe some PSAs reminding people to be/how to be "considerate neighbors" may help.	Oct 16, 2009 7:13 PM
23	The roads are full of pot holes - they put SPEED BUMPS a few years ago and didn't fill one pot hole while they were doing it.	Oct 18, 2009 3:00 AM
24	18th Avenue is in bad shape from Chambers to Bailey Hill rd. also the traffic on 11th is terrible. I think traffic is the worst problem in our area. too many homes built and not enough roads to ease congestion. I can live with current conditions and am hopeful more road repairs on 18th will help. 28	it is often difficult to get out onto 18th since the high school is across the street and the road bends right at Josh. The high school parking for events often overflow into our neighbor making the streets very narrow from parked cars.	Oct 29, 2009 11:58 PM

33	Many breakins, etc.. and police aren't responding or investigating all, dusting for fingerprints,etc..	Oct 30, 2009 2:02 PM
34	We need more police and public safety presence in our neighborhood, as the is mentioned we need more entirely in the westside. Many people don't know how bad the crime rate can get. I would like to see the Police Department put out or build a "district" substation.	Oct 31, 2009 11:00 PM

1	G: Services G1. We have general a lack medical resources and specifically urgent care in area. G2. No community center G3. Improve cross-neighbor bus access (between Churchill and Bethel (city pool and rec center).	Aug 3, 2009 10:58 PM
2	Besides the barrier of being on a rather steep hill, there is very little within walking distance of my house. I'm not sure what the city could do to help improve this other than to encourage more mixed use along 18th or Bailey Hill. But that, along with a larger variety of housing would certainly make the neighborhood more livable.	Aug 4, 2009 3:12 PM
3	better parks, better community athletic options, better goods and services	Aug 4, 2009 9:53 PM
4	There are very few walkable grocery options or other walkable stores in the neighborhood. The neighborhood has plenty of places for new development, but it is rare.	Aug 4, 2009 10:51 PM
5	We do not have, and need, a Parks & Rec facility and classes in this neighborhood.	Aug 10, 2009 9:04 PM
6	By improving biking and walking (no sidewalk/bike lane on many of the roads) there will be less traffic congestion. West 11th needs to be re-developed to get rid of ugly parking lot oriented strip malls. By creating a multi-use blvd type road you will improve biking, walking and congestion. Any new developements must be done so they are not ugly parking lots with strip malls or box stores set back without any kind of landscaping going on.	Aug 10, 2009 9:16 PM
7	A recreation center would be nice the nearest is Petersen barn, though they have great programs there it is not easy to get to without using a car. A Churchill rec center would facilitate making connections within the neighborhood.	Aug 11, 2009 3:56 PM
8	we have a small shopping complex that could use some more energy. A local movie theater, a larger grocery store, maybe a 7-11 or Quick stop, or a nice coffee shop like Starbucks. building a condo or apartment complex with stores underneath would be nice. maybe a gym space too. bruce	Aug 11, 2009 4:49 PM
9	Bus service up the hills of Warren and Timberline would be much appreciated. It is a difficult trek for the elderly and/or kids. More biking lanes and some kind of side walk for walking up in the hilly Warren (Somerset Hills) area - doesn't feel safe as a walker or a biker at this point. I would like to have more forested hiking trails in the SW Hills - perhaps connecting us to the Ridgeline Trail.	Aug 12, 2009 3:50 AM
10	I would like to see the city fill the pot holes on 18th, Bertelson, and Bailey Hill. The city park between the schools is very poorly managed. There is trash. Additionally, we have witnessed drug activity at the skate park. Please give that area some attention.	Aug 12, 2009 4:23 AM
11	I feel like parks should be more frequently included into smaller area neighborhoods. I would like businesses and services in the area to improve, at the moment, there are almost NONE. There has been increasing incidence of crime in the neighborhood, and our car was stolen last month.	Aug 12, 2009 8:55 AM

Please explain your answer(s) for the above question (three areas you would like improvements in):		
12	<p>1) The part of the Churchill Neighborhood I am in appears to be lower income and there are derelict cars, trash, etc.</p> <p>2) Being in an apartment complex it's difficult to connect with people - they don't stay very long. No active neighborhood group that I know of.</p> <p>3) My apartment complex is right off the Amazon bike path - don't always feel safe as there is a lot of pass-through traffic of sketchy-looking people. The Amazon could really use a clean-up!</p>	Aug 13, 2009 7:43 PM
13	<p>On Bertelsen, there is no on-street parking. Period. You can't park on either side of the street, because on one side, you have a little gravel imitation of a sidewalk, which isn't big enough for a car to park on and be safe, and on the other side is the nature preserve.</p> <p>For bus service, I am, shortly, going to be deprived of bus service in my area because of LTD's decision to terminate the 30 bus route. Starting this fall term, I will have to walk down at least ten blocks to get to a bus stop to get to college.</p> <p>As for Services, I have a mini-mall of sorts, that only has one restaurant, Churchill right next to it, one Mini-mart, and no shopping.</p>	Aug 14, 2009 2:39 AM
14	<p>I have to walk a long distance to get to the bus I need to get anywhere around Eugene. If there were more buses that ran on 18th Ave, that would help a great deal.</p> <p>I do deal with a consistant amount of traffic on 18th Ave. I am not liking it at all. Some lights last too long on 18th Ave. When I am coming off my street onto 18th I have to wait a long time for the light to turn green, even when no one is coming down 18th Ave.</p> <p>In regards to walking and biking comfortably. I can walk a great distance fine around my neighborhood and I feel comfortable doing so. There are areas of Hawkins Lane that does not have a sidewalk and I have to cross the street just to feel safe walking up and down the hill. People drive way too fast down that road for me to comfortably cross the street to a sidewalk. Riding a bike down Hawkins is not safe to me, people drive way too fast and invade the bike lanes way to often.</p>	Aug 16, 2009 4:13 AM
15	<p>Recreation and Park options seem centered in the east half of Eugene. The west side has the Fern Ridge Path, but much of it faces the back of businesses with old machinery and vehicles lining the canal.</p>	Aug 17, 2009 10:33 PM
16	<p>I wish the social connections were greater, and parks and rec seems like one of the best ways to make that happen</p>	Aug 18, 2009 7:27 PM
17	<p>Feel like there are no neighborhood shops and restaurants. I do not count the strip malls and large stores on west 11th. There is very little sense of social or visual cohesion. The neighborhood seems patch worked together.</p> <p>As someone who doesn't drive, the direct bus service to places like LCC and the University should be available again. The bike path is great, however.</p>	Aug 20, 2009 4:49 AM
18	<p>Older eyes not always so good in winter dark and rain. Hard to see the entrance at times. Will be inproved with new develepment but could be better with curb decals such as those used in middle of streets on our highways (yellow reflectors)</p>	Aug 20, 2009 6:23 PM

Please explain your answer(s) for the above question (three areas you would like improvements in):		
19	<p>Rec options: More park areas for little kids. We have to drive to Amazon for closest good park.</p> <p>Parks and/or natural areas: Keep these up. They are important, and I do not want them to go away.</p> <p>Access to services: We need better grocery options. Disappointed that Lowe's went in when Safeway left because we didn't need another home improvement store right there. Make better use of that mall area, and make the West 11th business area look more inviting. It is extremely industrial, not representative of "Eugene."</p>	Aug 21, 2009 8:26 PM
20	<p>My street has very limited street parking as most of the area is cover by yellow curbs. Bus service from Bailey Hill should extend out to 11th so we can access services better. Since I live on the edge of this neighborhood, we have to go clear down to W 11th to get groceries and to the bank, etc.</p>	Aug 24, 2009 4:45 AM
21	<p>Gang activity and gang tagging is not being addressed.</p>	Aug 24, 2009 8:44 PM
22	<p>1st Choice: Need dedicated bike paths (NOT just "bike lanes" on busy streets) that actually connect to other parts of town via bike paths. I would ride a bike to work (across town) if there was an actual bike path connection that did not require me to ride along side cars on the street. It is just not worth the risk right now.</p> <p>2nd Choice: When we go out to a nice restaurant or progressive grocery store we almost always have to go to another part of the city. There are few good restuarants near us for special occasions. Coho Bistro is one of the few I can think of.</p> <p>3rd Choice: Not enough parks/recreation facilities - especially for older people or those who would like to walk their dogs on a path, or let them run in a dog park. Not enough "Nature" paths.</p>	Aug 25, 2009 5:34 PM
23	<p>Forgive me, you must hear this often, but W. 11th traffic issues MUST be fixed. I was much more in favor of the WEP than anything I've heard come out of the Collaborative. We've been planning for 20 years while the congestion continues to worsen, it's time to FIX IT!</p> <p>I'm also concerned with the theft and vandalism going on in our neighborhood. It's not uncommon to find vehicles broken into, spray painted vehicles, egged vehicles and houses, punctured tires, etc. It's not very comforting to feel like you have to have a house sitter while you're on vacation just to keep an eye on your property.</p> <p>There seem to be a lot of shady characters walking around, casing out the neighborhood after dark. We've even had people come and try to open our front door when no vehicles were parked in the driveway. A greater police patrol presence could make a positive difference.</p>	Aug 25, 2009 7:11 PM
24	<p>Bertelsen has become the Eugene Drag Strip, enough said! With Wal-Mart nearby, we have transients hanging around our neighborhood and it becomes scary at times. It would be nice to see all types of income in our area, but with unemployment being what it is I am not sure that is going to happen.</p>	Aug 27, 2009 6:50 AM
25	<p>I would like to See lower taxes on Property owners and business in The city. the city needs to bring in more Business. there are too many "holes" down town that should have a building with a business. Down town is not safe for Kids. the Bike paths are not safe for Kids and have too many transients. a downtown with vibrant set shops and services will natural improve the appearance. Eugene does have a Good Public School system and Eugene has the Buses, the bike paths and the parks. what it needs now is Business. Lower Taxes and they will come.</p>	Aug 28, 2009 2:31 AM

Please explain your answer(s) for the above question (three areas you would like improvements in):		
26	I have lived in the Church Hill area for over a year, and I have had two car windows smashed in when my car was parked in my own driveway. The close proximity to the Bike Path is very convenient, but it also serves as a pipe line for suspect people to wander in and out of the neighborhood. If I live in Eugene for a long period of time I would love to move to a neighborhood that is up in the hills that can offer some sort of view.	Aug 28, 2009 7:03 PM
27	It the only drug dealer with car hop service I've ever heard of. Oh, and lets not forget the hookers, whom enjoy the shade of the trees in my front yard. First of the month is always busy, so many cars it's hard to keep count. The amazing thing, I can see Churchill H.S. from my front yard!!!!	Aug 31, 2009 3:43 PM
28	It's always important to feel safe where you live. In our neighborhood, there are long straight aways that people feel they can go as fast as they want and getting the city of eugene to put in stop signs or speed bumps is very bureaucratic. I would like to see the Ridgeline Trail extention happen that would bump up against our neighborhood.	Sep 1, 2009 3:39 AM
29	Southwest Eugene has very little in the way of recreation centers or parks/playgrounds as compared to other neighborhoods. It would be great if area kids and adults had a place to recreate like in other areas of town. Also, the Southwest Eugene has seemingly been ignored in land use planning issues. Several very lareg housing developemnts have been built in forested areas above 800 feet in elevation that could have been used for the Ridgeline Trails system and other outdoor recreation uses. Other neighborhoods seem to have more "clout" to keep this developement from happening and I would like to see more equity in our open space preservation.	Sep 1, 2009 6:45 PM
30	Speed bumps need to be extended from McCormack Elementary up to W 18th as traffic accelerates after last bump in front of Elementary School and cars frequently miss the curve (several each year) the last 75 yards before 18th street intersection. I have had one car rearended (parked at the curb) two trees sheared off, cars careening up on to lawn/driveway, one comcast cable green tree run over, and next door neighbors have replaced mail box multiple times. Many times each summer cars have to slam on brakes because they are going to fast before they get to stop light. I hear them screeching and sliding. At the very least we need more signage posting the 25 mph limit or a flashing yellow mph light. Something to slow the speeders down after school hours would be really helpful.	Sep 2, 2009 12:18 AM
31	I would love to see a small commercial district within walking distance with a variety of shops that I'd like to patronize (like Southtown near 27th and Willamette). The road and bike lane on W 18th east of City View needs to be resurfaced. I bike everyday and do not ride on W 18th due to the poor conditions. The neighborhood in my immediate vicinity has a lot of run down houses and yards.	Sep 2, 2009 5:03 PM
32	We need more crosswalks/traffic safety measures on 18th between Hawkins and Bailey Hill -- there are a lot of bus stops with no crosswalks, and a long stretch (about 1/2 mile) with no opportunities to cross the street without jaywalking. For those of us who live above 18th and want to use parks and services near W 11th, this is really hazardous.	Sep 10, 2009 10:17 PM
33	I'd like to have a good alternative grocery store in our neighborhood (Kiva, Market of Choice, Capella Market) and a top-notch preschool daycare. Though our community is close-knit, I always desire more connections to my neighbors.	Sep 14, 2009 4:07 PM
34	Many of the natural areas are maintained by private homeowners associations, but are accessible by all citizens. Care of these areas is minimal. My property abutts a natural area, but it is not part of my association. Sidewalks are in start of disrepair, and many trees overhang sidewalks so ducking under or walking in the street is the next best option. Thanks	Sep 14, 2009 5:29 PM
35	Bus Service - I think it would be really helpful if the city buses went out further in the country. New Developments - I feel there is a lot of empty buildings in the area that need to be updated and used or torn down. Traffic Congestion - Down Bertelson road next to the wild life field, needs to be wider for bikers and people who walk to the bus stop. Plus the traffic coming from West 11th down to 18th, has been updated, just waiting to see if the flow is better.	Sep 14, 2009 5:47 PM

36	<p>The traffic has continued to get worse and the City has been unwilling to provide it's citizens with a solution. We need to consider the needs of people who live outside the city and who come to work here. The solutions I have seen are inadequate at best and only reflect one groups vision of what they think Eugene should be.</p> <p>Represent all of the citizens of Eugene.</p>	Sep 14, 2009 8:19 PM

38	<p>There seems to be many problems with night time thievery and people living in their vehicles, trash left from those camping, hypodermic needles found near pedestrian walkways.</p> <p>Housing for a single person in one of Eugenes older complexes should not equal half a mounths pay from one who has been empoyed 10+ years.</p> <p>I would like to see bike lanes on streets better cared for. 40	Law enforcement needs to pick up...I feel the police are doing a terrible job. Liter and the shabby appearance of the area are not acceptable.	Sep 14, 2009 10:35 PM
41	Has become too busy with much development off upper portion of Hawkins Lane. Biking semi-safe and difficult to access services without driving. Bailey Hill plaza should be rennovated to attract new businesses and support sustainable and socially responsible businesses. For example, natural foods market, more restaurants/pubs, park/courtyard area instead of huge parking lot.	Sep 15, 2009 4:44 AM
42	<p>1st choice - bus service to the business on Willow Creek is very poor and requires people to walk across W11th to get to the businesses or take a really long time to get to work. Also, the bike lanes are not very wide.</p> <p>2nd choice- there are no restaurants that are very close to the businesses. All of the choices are either unhealthy or are pretty far away.</p> <p>3rd choice- more parks, with swings and benches where people can hang out and relax on lunch or after work.</p>	Sep 15, 2009 5:53 PM

43	<p>Regarding the above characteristics listed:</p> <p>These 3 all are intertwined, in that I do not feel safe to walk about in either the "parks" or the streets due to the large number of homeless in this area. I have been approached on several different occasions so I no longer walk in my neighborhood at any time of the day.</p> <p>The traffic on Oak Patch took me by surprise in its volume and "noise level" in that there are a great deal of commercial trucks that use this street plus the normal day-to-day traffic. The buses are fine as they cannot help the noise they make. I "discovered" this area while looking (for 3 months previously) for something that was quiet and out of the way. Unfortunately due to the varied income structures in this neighborhood, the fairly high volume of traffic and surprisingly large homeless population, to say I was disappointed is an understatement.</p> <p>As to solutions to these characteristics, more specifically traffic congestion and parks/natural areas, I believe a city planning engineer would be the go-to on that front. Regarding the homeless situation, many a city has had to deal with the ever increasing population within their realms. Several come to mind that have done a very good job in learning to deal with and improve said situation.(Seattle & Denver top the list) Perhaps by following their lead Eugene would be better served.</p>	Sep 17, 2009 7:06 PM
44	<p>Often times I see pretty sketchy looking people walking on the street and hanging out near the bike bath (by the creek). In my old neighborhood (near campus), I often saw police on bike and car regulating the area. It made me feel safer.</p> <p>Living near West 11th, there is always a lot of traffic on my street and people drive too fast. Perhaps the use of speed bumps or roundabouts would change this. There are a lot of children on my street (which I can tell based on the number of school buses that come by). Fast and numerous cars isn't safe!</p> <p>The appearance isn't too bad, but I think more trees would make any neighborhood nicer!</p>	Sep 17, 2009 11:58 PM
45	I find the "public safety" situation in town generally disgraceful.	Sep 20, 2009 2:36 AM
46	I've lived in my house about 4 years. In that time someone has broken into one of my neighbor's cars twice and on the neighbor on the other side has had someone break into their garage. Also, we've had an instance around 9pm where a strange man chased a woman back to her house and the police had to be called. Because of this I do not feel safe leaving anything of value in my car, my car doors and house doors are always locked and we installed a gate so you cannot get to the back yard easily.	Sep 22, 2009 4:21 AM
47	Basically I am very happy with all aspects of my neighbourhood expect that we have had some burglaries	Sep 24, 2009 5:17 PM
48	<p>1) The amount of allowed on-street parking is far too high. It leads to unsafe conditions: blocking turns and intersections, making roads feel more crowded and congested, and is unattractive. I would prefer more roads be marked no parking, especially around on major access routes and near intersections.</p> <p>2) New parks are often sited far from existing living areas. While open space is an admirable goal, the current practice of acquiring large parcels of open space leaves out those of us who live in the center of town. Any open space should be connected to its respective neighborhood via pathways or other means.</p> <p>3) The major commercial corridor is W. 11th. It is both bicycle and pedestrian unfriendly and consists mainly of chain stores and drive-in/drive-out businesses. The City's continued focus on Downtown exacerbates this problem.</p>	Sep 26, 2009 10:28 AM

49	There is a prevailing fear among the residents where I live that there are a lot of property theft, and burglary incidents. I have in the last year had two attempts of prying my doorknobs off my doors while I was home sleeping, thieves have tried to steal anything not locked up in my yard, and I've had to report an "incident" with a prowler/peeping tom type creep. I'd like to see the bad element run out of this area and it made a nice safe place for families, students, and single people to live.	Sep 28, 2009 7:01 PM
50	The traffic on 18th Ave is very difficult to maneuver during peak hours and I feel is very dangerous. There is little street parking, although people do park on the street, but cars are definitely obstructing use of the road. I have not seen any parks or natural areas for children to play.	Sep 28, 2009 9:03 PM
51	It seems there is too many apartment and old style houses. Too many people in one area makes me feel unsafe and crowded. I don't want to be around there even if it is relativley safe. The idea of too many apartments makes me feel that the land isn't worth a lot.	Sep 29, 2009 4:01 AM

57	1. Safety: I do live next to low income houseing which I understand has a higher crime rate. 2.I can't think of anything else that needs improvement, other than we have lots of graffiti tagging. But I understand that is not preventable only after it has happened. 3. Love my neighborhood! Thanks!	Oct 2, 2009 4:25 PM
58	Needs more stop signs. To many interesections without any traffic control.	Oct 2, 2009 9:04 PM
59	It is absolutely impossible to live in West Eugene and try to rely on bus service to get anywhere. W. Eugene does not need mega speed bus routes before it needs more saturated routes. For example, there is absolutely no way to get from w eugene to schools or shopping that doesn't take more than an hour each way to commute! That is why we all drive our cars and pollute the rest of the city.	Oct 3, 2009 1:13 AM
60	Safety is not very good.	Oct 4, 2009 1:10 AM
61	It is a residential area. More public facilities are better. Good bus service can reduce cars and driving.	Oct 4, 2009 1:18 AM

62	<p>B. Need additional buses for school..it is very difficult for some of us older people to manage the mass of students crowding the isles when we need to exit. Not counting the possibility of injury when the driver doesn't see or hear us and takes off, then stops again.</p> <p>A. I don't own a car...I walk or bus. We sometimes have a problem in the bike path area with drunken/drugged homeless...which makes safety a concern. Think this is more of an issue than running off all those creative kids who used to open doors for me all the time by the library...now we just have scarey policemen who tacer everybody down there..I do appreciate the improved bike crossing on Oak Patch but wish you would have left the bench I so enjoyed sitting on by Amazon Creek.</p> <p>C. Seems like some sort of incentative could be arranged so the hundreds of single car drivers would be less on West 11th....they are not careful of walkers when turning and they destroy our air...perhaps you could give tickets to cars with only one person in the heaviest traffic hours. just on congested streets....I can't believe all those cars with only a driver are necessary...maybe you could lengthen the time given me to cross the street (so I actually have the time to cross it) and their road rage would be even worse and they could just eliminate each other.</p>	Oct 5, 2009 5:01 AM

66	As you probably know, west eugene is sorely lacking in appropriate development. I would love to see nodal development along the lines of Cresent Village, but more appropriate for this end of town. We have enough affordable housing. I would like to see more restaurants, not fast food, a Market of Choice type store, smaller boutique type businesses along with a change/reconfiguration of W 11th. 69	<p>Please see my notes for "O" regarding PSAs (or something like that) reminding people how to be good neighbors -- and even citing some relevant ordinances in a non-threatening way.</p> <p>Some cars go through the neighborhood too fast. We've got curvy streets and lots of kids playing out front -- some on bikes in front of their houses.</p> <p>The closest bus (which is still a little hike, but I'm healthy and can use the walk) comes just once an hour and requires exact change (I think), all of which requires some planning on my part. I hate to say it, but it's easier for me to drive to get to all the places I go to, as I usually consolidate errands, meetings, and running around trips. If I had a regular job, or kept a regular schedule, I think I'd take the bus more, and would learn to work around the bus schedule, and get a bus pass. So I don't know if there's really anything about the bus system I think needs improving.</p>	Oct 16, 2009 7:13 PM

74	If your car is left on the street overnight there is a good chance it will be broken into. Open garages are also ripe targets for people who cruise the streets very late at night. No one ever sees or hears them.	Oct 24, 2009 2:40 AM
75	<p>There is Acorn park, but it's one of the few parks without a water feature for children. The park by Churchill High always has a lot of trash and broken glass around it and the play area is very beat up.</p> <p>We were robbed a month after we moved into our house and there are a lot of robberies in the area. There are also safety issues around the traffic on Bailey Hill.</p> <p>The appearance of the neighborhood is okay, but the Churchill Plaza could use a lot of upgrading and some more successful businesses.</p>	Oct 25, 2009 4:19 AM

77	See my comments above.	Oct 26, 2009 12:30 AM
78	The traffic on 18th between Bailey hill and Bertelsen can get rather heavy at different times of the day. I am not sure how you can become more connected to your neighbors when the tight culdesacs don't have a local park within the development. Again the traffic congestion is related to Churchill High school especially before and after school.	Oct 29, 2009 11:58 PM
79	Our neighborhood was founded on the principals of being a bedroom community where we can go to rest and relax in and with the surroundings of nature. we are loosing what once made us unique and I believe great. The deer and turkeys are loosing the ground that they once new as home and we are slowly loosing our piece of mind. Please stop the unchecked dismantlement of why I moved here. 81	There is no bus service nearby. The lack of adequate bike right away and sidewalks on Warren is a problem. I feel that crime is slowly moving uphill and the police seem unwilling to do something when a property crime or violation of city code is reported and expect the party who reported it to confront the law breaker themselves.	Oct 30, 2009 1:30 AM
82	Too many lights at night. Light pollution. Wish people used shielded lights and very low wattage to keep lights on own property.	Oct 30, 2009 2:18 AM

89	I don't really have any complaints about my neighborhood. Connecting to others seems to be more of a personal issue than a city issue. I should find excuses to go meet my neighbors.	Oct 30, 2009 2:33 PM
90	The police need better funding. Burglary and theft because of meth use is out of control and the police and justice system do not have enough funding to enable them to do anything about it. Parks and natural areas are always a good investment that will pay off for the community indefinity. They provide stress reduction and joy for our citizens which is just what we need during these tough economic times. Our community is going to continue to grow and traffic congestion such as on west 11th will grow with it.	Oct 30, 2009 4:51 PM
91	Sidewalks are not yet complete throughout the neighborhood forcing walkers onto the road. There is no bus service into our neighborhood. The parks are not fully completed.	Oct 30, 2009 5:45 PM

95	<p>West 11th Avenue is become the bottle neck of like "Hollywood Blvd.", it has gotten so bad that Oakpatch Road between 18th and 11th is starting to become one of the hot bed side street for people who like to speed big time between 11th and 18th.</p> <p>I have notice with the recent addition to the street upgrades on Bailey Hill Road that there has been some cross walk lights attached to the center divider where a Churchill student was killed by a car - My suggestion would be to put this lights and signs at the following locations, Fern Ridge Bike Path at Chambers, Fern Ridge bike path and City View, Fern Ridge Bike path and Oakpatch Road, Fern Bike Path and Bailey Hill Road.</p> <p>Reason for this suggestion is that bicyclists tend to blow right through the intersections without stopping and two, motorist refuse to STOP and give walker and bicyclists a leeway in crossing the street safely, as everyone in a motor vehicle tends to be in a HURRY or RUSH to make the date with the doc, lunch, dinner, etc.</p> <p>Has mentioned above in #2, the Police Department needs a more presence in the westside of town, traffic enforcement needs to be addressed on West 11th badly due to the ever constant congestion we get there each and every day. This also brings up the idea of having a Public Safety Station also on the west side, besides the Monroe street station, overall more sub stations are needed in just about every part of town in my opinion, would be nice for the chief to consider.</p> <p>The Fire Department needs to buy back old Eugene Station 4 and staff a crew there at McKinley street, even tho, Station's 2 and 10 cover this area, but are spread thin when calls bust through the max each day.</p>	Oct 31, 2009 11:00 PM
96	City View traffic needs to slow down. There ought to be more small businesses in the 18th and City View area so we can walk to get more of our needs met. There's too much emphasis on 'up the hill' large-house development. We need more parks and common areas for public to meet and connect.	Oct 31, 2009 11:54 PM
97	It's very difficult to get in and out of our driveway on w 18th ave, so traffic is trying at times. Our neighbors seem very much to themselves, so there,s no real interaction. I'm so busy that I find it difficult to know what's going on around us.	Nov 1, 2009 5:00 PM
98	We have many petty thefts in our neighborhood as well as vandalism that we would like to have an end or reduction to. Parks closer to my home would be nice plus a way to connect with neighbors.	Nov 2, 2009 2:13 AM
99	One neighbor parks three cars on the street. They are never moved. Lots of junk stored in the vehicles. Believe the cars were a major reason emergency vehicles were limited in getting to a house fire at the end of the street. Both 18th and City View are a disaster and need to be repaired. Impossible to believe they were not taken care of this summer when all the other street improvements were being made. 18th is in worse condition than 11th. Also amazing street improvements made on 11th but corner of 11th and Garfield is a disaster to turn on. Unbelievable how only part of the job or project gets done in Eugene.	Nov 3, 2009 2:43 PM

10	neighborhood associatation, your kidding right, we need the SWAT Team....just be sure they show up before dark....it's scary around here at night. They haven't had running water or eletrical service in over 2 years. They constantly steal gas from my cars for their generator and I've had to install a lock on my water hose!! Funny thing is, they mow their yard with an eclectic weed eater via generator, just odd, because they have a brand new Honda lawnmower sitting behind the fence. I recently bought one, and could only afford the \$500 one, they have \$700 one. These folks don't have a pot to piss in, yet they have a \$700 mower they don't use....can you say stolen! 1	- More Door-2-Door travel by neighborhood leaders - Make more opportunity for renters to meet; use their complexes to hold neighborhood meetings.	Aug 3, 2009 11:05 PM
2	online options	Aug 4, 2009 9:05 PM
3	e-mail information	Aug 4, 2009 9:55 PM
4	We usually find out about the meetings almost after the fact. The association seems to be more centered on those living south/east of Bailey Hill, and has not demonstrated itself to be open or welcoming to newcomers.	Aug 10, 2009 9:07 PM
5	On line versions of the newsletter with a comments section.	Aug 10, 2009 9:17 PM
6	They meet on an evening during the week at a time which is difficult for me to commit to. Also the neighborhood association seems to be focused on a part of the neighborhood that does not include where I live.	Aug 11, 2009 4:00 PM
7	Community Center.	Aug 12, 2009 8:57 AM
8	It is more difficult to get involved as an apartment dweller because homeowners are perceived as being more invested in the neighborhood.	Aug 13, 2009 7:45 PM
9	On-line information that is updated more frequently.	Aug 13, 2009 9:40 PM
10	The best participation is always when something controversial is happening - but there should also be more social gatherings a picnic or block parties or groupd garage sales or?	Aug 18, 2009 7:30 PM
11	At age 88 I cannot get to involved in most activities and don't usually join if I can't help	Aug 20, 2009 6:25 PM
12	I would like to try attending a meeting but would need a sign language interpreter to get the most out of the meeting. I can't afford to pay for one myself. I would like to know more people in my neighborhood and events going on near me with some notice ahead of time. Safety is a big issue. Communicating with others who have barriers to hearing and how a neighborhood can make involvement more inclusive. During the week, it is difficult to attend meetings as I sleep early for my job.	Aug 24, 2009 4:53 AM
13	Neighborhood associates should NOT be funded by tax dollars. If individuals want to associate, they should be able to, but not at the expense of others.	Aug 24, 2009 8:47 PM
14	Other: incentives to come: e.g. tell people that handouts will be available such as a bike path map, Eugene recreation opportunities flyer, schedule of Eugene Parks Events for the summer, etc. Assure people that just because they attend they will not immediately be asked to join a work party. Continue having good speakers for part of the meetings.	Aug 25, 2009 5:52 PM

15	Topics like sharing our stuff, ie. cars & tools. Sharing information about how to do stuff, like fix our houses, recycle, commute by bike, fix our bikes and our stuff (like tools). Academic topics or movie nights may also be fun. A potluck would potentially be interesting.	Aug 30, 2009 2:28 AM
16	I just don't think it'll help, I'm the only one close.	Aug 31, 2009 3:54 PM
17	I am a disabled senior and attending can be challenging as meeting are in evenings.	Sep 2, 2009 12:20 AM
18	I'm not sure I'd attend even if the day/time were changed.	Sep 2, 2009 5:05 PM
19	I am a single parent and it is difficult for me to make these meetings at this time.	Sep 14, 2009 4:08 PM
20	I cannot be involved at this time.	Sep 14, 2009 5:31 PM
21	I'm already involved with my neighborhood association - have been an area rep in the past and also newsletter editor. I enjoy meetings which have topics of interest to our neighborhood - and articles which share info about our neighborhood specific events, locations, history, etc. The less meetings like this we have, the less interested I become.	Sep 22, 2009 4:26 AM
22	I would be more active if I felt that a neighborhood association actually created meaningful results. I would like to see more environmental and transportation related topics, especially expanding bus service and bike lanes.	Sep 22, 2009 11:12 PM
23	I am interested in ways to reduce crime and also more ways to meet the neighbours on my street to support each other - not big get togethers with everyone people from all over the neighbourhood	Sep 24, 2009 5:21 PM
24	The asinine people of Eugene are too stupid to run a city.	Sep 28, 2009 4:55 AM
25	I work full time and go to school. My participation in our home owner's association is limited due to time constraints.	Sep 28, 2009 7:03 PM
26	Having more of a creative way of being people together something fun and meaningful where emotions were mellowed out maybe doing something effective together while also communicating. Also getting more young people socialized into the neighborhoods because they tend not to know a lot of neighborhood manners as well as letting older people who tend to stigmatize them meet them.	Sep 29, 2009 4:07 AM
27	Meetings are on Weds. eve which I can't typically make. Maybe more web/cell phone/email based ways of participation?	Oct 2, 2009 1:12 AM
28	More time in my personal life.	Oct 2, 2009 11:56 PM
29	I would be happy to make phone calls or something from my home...my health issues do not allow me to participate in quite a few things.	Oct 5, 2009 5:08 AM
30	i would rather have electronic communication, some form of online community that i can access whenever is convenient. face to face meetings would then make sense, as opposed to going every once in a while (which i don't ever do) and meeting strangers, breaking the ice, and discussing topics from the ground up every time. it would be better if we could build awareness beforehand, understand the issues, and have meetings actually be productive. i do not attend the current meetings because they are disfunctional and impractical.	Oct 5, 2009 8:14 AM
31	i am usually too tired to meet during weekday.Maybe Sunday afternoon for a brief meeting? 1 hour. also written response cards would be good	Oct 10, 2009 1:06 PM
32	A new association that involves the neighborhood from W 18th to W11th, since our concerns are distinct from those of people south of 18th. Meeting times in late afternoon or very early evening.	Oct 12, 2009 11:00 PM
33	New enough to area that need to investigate the association more.	Oct 14, 2009 1:02 AM

34	A local newsletter might be nice, but we're already pretty busy.	Oct 14, 2009 11:37 PM
35	I don't know if limiting our regular meetings to topics that directly impact our neighborhood would help or hurt. Ad hoc vs. regular? We're all so busy and overloaded with other wordly information that it's hard to rally the energy to go off to yet another meeting -- especially if it's not a "fun" experience or a topic that directly impacts us or helps us make connections within the neighborhood. This might include featuring neighborhood businesses, spotlighting neighborhood artists, craftspeople, musicians, historians or other interesting talents (professional or not -- let everyone display/sell their wares at a special neighborhood event once or twice a year) at a neighborhood school, or during a regular meeting. Maybe area reps can canvass their areas to tell us things about their areas the rest of us would like to know. They could solicit desired meeting topics from folks in their areas and include news from each area in the newsletter.	Oct 16, 2009 7:55 PM
36	I would like to attend but my hearing impairment gets in the way. I would like to contribute if maybe have a website where you read the highlights then be allowed to make comments on it. I would be interested in home safety and even emergency preparedness like how to get out of the area safely when there is only one outlet to get out.	Oct 18, 2009 2:58 PM
37	We are involved in a lot of civil rights groups and Political work in Eugene and with the state of Oregon. We moved to Eugene 5 years ago from California to lessen our activities. so, we have to pick and choose.	Oct 18, 2009 6:03 PM
38	cycling and recycling... I would also like to have a CAN Fern Ridge Path clean-up day and a summer block party that was laid back and social without an agenda (other than to introduce the neighbors to each other.	Oct 20, 2009 5:40 AM
39	City Assc officers should come to Homeowners ssoc meetings to talk about what they can do and how they can influence teh City Council.
