

## River Road Community Organization: Eugene Neighborhood Survey Results

More than 4,600 community members responded to the recent Eugene Neighborhood Survey, providing useful information about what they like in their neighborhoods and what they would like to improve. Conducted during the summer and fall of 2009, the survey was developed in partnership with neighborhood leaders and the UO's Community Planning Workshop. Neighborhood associations, as well as City staff and other community groups, distributed the survey with a special emphasis on reaching people who have not participated in neighborhood associations and underrepresented groups. These efforts paid off, as results indicate that survey responses are a good representation of the city population in terms of age, income, race/ethnicity, gender, and home ownership.

Responses for River Road Community Organization NA were 253, about 2.2% of the neighborhood's total population. Respondents were 21% renters, 73% homeowners, and 5% owned property. Thirty percent of respondents' household income was less than \$30,000, 39.5% between \$30,000-60,000, and 30.5% over \$60,000. The race/ethnicity breakdown of respondents is as follows: 84.3% White, 4.6% Latino/Hispanic, 4.6% Multi-racial, 1.9% American Indian/Alaskan Native, .9% Asian, and 3.7% other. The respondent age was predominately 25-64 years old (77%), with 13% ages 17-24 and 10% 65 or over. For planning and outreach purposes, the River Road Neighborhood Analysis should be consulted to compare actual demographic make up to the demographic make-up of the survey respondents. Gaps may exist.

Forty-three percent of respondents had not participated in their neighborhood association, but 40% expressed an interest in being connected. Survey data should be consulted for information on what would encourage respondents to be more involved and what respondents view as the neighborhood association's primary role.

Overall, River Road results show that respondents have generally positive views of the quality of life in the River Road neighborhood. When asked about what they would like to improve in River Road, access to services, safety and traffic congestion were the most frequent responses, followed by parks and natural areas and biking and walking.

Neighborhood surveys are considered a best practice in neighborhood planning initiatives. The survey provides a wealth of information for neighborhood associations and the City of Eugene, as we work to increase involvement and participation in neighborhood associations and improve neighborhood livability. The full results of the Eugene Neighborhood Survey are posted online at <http://www.eugene-or.gov/neighborhoodsurvey> including neighborhood-specific reports. If you have questions, please contact Michael Kinnison at 682-5009 or [michael.j.kinnison@ci.eugene.or.us](mailto:michael.j.kinnison@ci.eugene.or.us).

(please specify)		
1	1. Biking on River Road is dangerous. The River Bike Path is not an adequate substitute. Something needs to be changed so that biking on River Road can feel safe. 2. We need a natural food store close by. Those located in other neighborhoods are not close enough.	Aug 6, 2009 12:37 AM
2	As a senior citizen on fixed income I appreciate the fairly reasonable tax rates.	Aug 13, 2009 5:34 AM
3	My neighborhood is peaceful	Aug 13, 2009 2:36 PM
4	We've GOT to get infill compatibility standards up and running. infill is RUINING our neighborhood. There are big ugly starter mansions and yucky little developments, ie Stevie Shay area.	Aug 13, 2009 2:47 PM
5	I'm a year round bike commuter and use the river path as a natural recreation area. Biking out of river road is easy (as long as you can get there by the river path). Biking within river road or south and southwest is dangerous and requires long detours. Please slow down River Road! We also miss the great walking access to natural food stores we had when we lived in the Amazon neighborhood.	Aug 13, 2009 3:17 PM
6	we live on howard....people speed on howard...the speed limit is 25, but half the drivers are going faster than that, some quite a bit faster...we live near schools where children are walking to school in the bike lane.....having the speeders go by them is dangerous.....there is little enforcement of the speed laws here...	Aug 13, 2009 4:47 PM
7	The neighborhood is better for biking than for walking.	Aug 13, 2009 5:06 PM

(please specify)		
8	Traffic speed, width of road, and lack of signal lights on River Road combine as the major source of threat to safety as it is difficult for children, bikes, the elderly, and animals to traverse. It impedes access to the Willamette River and reduces access to bus stops if they have to cross the road.	Aug 13, 2009 5:21 PM
9	I would like my neighborhood to keep more natural spaces, disallow incompatible, dense infill and offer more walkable commercial destinations.	Aug 13, 2009 5:24 PM
10	Toxic waste under River Road neighborhood concerns me.	Aug 13, 2009 10:41 PM
11	The traffic speed laws are ignored on my street, and I suspect in this neighborhood in general. It creates a dangerous situation for everyone - especially small animals and children. I would be so happy if we could add some speed deterrents along the street.	Aug 14, 2009 3:04 AM
12	Because of no street lights on my street other than neighbors front porch, it's completely dark to break in to the vehicles which has happened 4 times, twice reported. and because our road is not paved, teens tend to drive by super fast because of the bumps on the road.	Aug 17, 2009 2:27 AM
13	I'm concerned about the air quality with Seneca burning wood for electricity. We have a well that we have used for the garden and the water quality due to the railroad switching yard is another concern. I would also like to see all of River Road annexed into the city.	Aug 17, 2009 2:41 PM
14	Eugene's decision not to support the River Road Park District, reduces the appeal to this neighborhood. We pay taxes to support parks; however, don't get the benefit of using the one nearest us.	Aug 17, 2009 2:59 PM
15	my neighborhood is peaceful	Aug 18, 2009 5:18 PM
16	have a green space behind the Dairy mart at River road and E. Hatton ave, that should be developed into a park. would help keep the homeless migration out of the area, as they bed down in the brush between the field and the river. Big safety concern for kids, walkers, bikers, etc.	Aug 20, 2009 8:08 PM
17	there are to many speeding cars trucks etc, not enough police patrols, can't get help when needed	Aug 21, 2009 3:56 PM
18	great soil	Sep 2, 2009 3:59 PM
19	My neighborhood is a good place to grow food.	Sep 2, 2009 5:00 PM
20	There is no healthy food shopping locations in my neighborhood- only big box store options with very little local/organic food options. I shop in other districts for food.	Sep 4, 2009 3:38 AM
21	River Road itself is an unsafe road for bikers, pedestrians, children (especially those from residential houses on River Road).	Sep 4, 2009 4:16 PM
22	I wish my neighborhood had sidewalks and more convenient access to shops and cafes	Sep 14, 2009 11:46 PM
23	There are ample sidewalks and bike lanes that make walking and biking safe on heavily trafficked side streets	Sep 15, 2009 5:31 PM
24	Too many rentals and dumpy looking properties in my neighborhood.	Sep 17, 2009 8:41 PM
25	The actual River Road corridor remains a HUGE barrier to accessing the river path and natural space/park space from my neighborhood. It also is a HUGE barrier to access to bus service.	Sep 19, 2009 1:47 AM
26	would like more restaurants, bookstores	Sep 21, 2009 8:08 PM
27	too many rentals & no code enforcement	Sep 21, 2009 9:38 PM
28	Is there enough traffic control enforcement presence in my neighborhood?	Sep 22, 2009 1:12 AM

(please specify)		
29	I don't like the tendency to crowd new housing into small lots, scraping off the topsoil, covering so much beautiful land with concrete.	Sep 22, 2009 3:57 AM
30	Healthy Food Stores almost nonexistent Stronly needed	Sep 22, 2009 11:02 PM
31	Crossing river road is extremely dangerous, need to reduce the speedlimit and make it less like a highway	Sep 23, 2009 3:34 AM
32	Segments of the bike path feel unsafe when groups of transients and their dogs set up camp and claim it as their own	Sep 23, 2009 6:23 PM
33	We could definitely use some excellent quality grocery stores. We are SORELY lacking in that aspect.	Sep 23, 2009 11:40 PM
34	Few oportunities for work in the River Road area and high prices for rent...especially for renters of duplexes and apartments.	Sep 24, 2009 8:04 AM
35	We need a grocery store/natural food store in the River Road area, such as on the southern end towards the Chambers overpass	Sep 24, 2009 8:36 PM
36	Our neighbor is a retired and a drug user with very questionable friends and family. We have items stolen from our property	Sep 24, 2009 10:55 PM
37	1- Ferral cats 2- Some messy neighbors	Sep 28, 2009 6:03 PM
38	Traffic is ok except at River Road and Beltline which is impossible at certain times of day. It would be better for walking if there were fewer dead-end streets. Through walkways would help. As it is, you have to go miles around or walk on River Road, which isn't pleasant.	Sep 29, 2009 12:09 AM
39	Our neighborhood would like to have 2 environmentalaly friendly bike paths installed in Cadojen park. 1 from the bike path across Cadojen Park to East Maynard (10 ft.). 1 from N. Lanson to S. Lanson ( 5 ft.)	Sep 29, 2009 4:49 PM
40	I would like to see my neighborhood incoporated into the City of Eugene. We currently have limited police protection, no library access. I would be more than willing to pay more taxes and recieve full city services.	Oct 2, 2009 9:29 PM
41	We need more community gardens in our area.	Oct 3, 2009 12:15 AM
42	This format does not lend itself to very helpful answers. Neighborhood is very ped. and bike friendly along river, but very hostile to peds and bikes along River Road. Similarly with other questions.	Oct 3, 2009 3:44 AM
43	I feel safe as far as my health goes in my neighborhood.	Oct 8, 2009 6:13 PM
44	too many bums in the parks at night during the summer, sometimes they are threatening	Oct 18, 2009 1:46 AM
45	we need more safe crossings for river road..traffic lights and SAFE crosswalks.	Oct 18, 2009 7:29 PM
46	Traffic flow is streamlined	Oct 19, 2009 12:02 AM
47	My neighborhood feels like a healthy place to live as far as having little air and noise pollution.	Oct 20, 2009 6:19 PM
48	This area looks like a main pathway for homeless and drug users.	Nov 8, 2009 6:33 PM
49	very disconnected to the rest of eugene (mainly due to difficulty of crossing main streets)	Nov 17, 2009 11:32 PM
50	they need better schools	Nov 17, 2009 11:40 PM
51	varied eclectic neighborhood. Bike Trail.	Nov 24, 2009 5:38 PM
52	Traffic	Nov 25, 2009 4:54 PM
53	D. traffic - congested on River Rd	Dec 1, 2009 7:01 PM

<b>(please specify)</b>		
54	I am scared to death my kids or myself getting hit by a car on the crosswalk crossing river rd. Nobody stops and there is no police enforcement, nor lights in close walking distance.	Dec 7, 2009 10:00 PM
55	too many homes in infill	Dec 18, 2009 10:53 PM
56	I would like a bike path through the field behind my house (behind Dairy-Mart)	Dec 21, 2009 6:56 PM
57	is a crazy patchwork of City/Lane Co conflicting priorities	Dec 21, 2009 7:29 PM

**River Road - 2009 Eugene Neighborhood Survey**

Of the characteristics listed above (A - O), identify UP TO THREE you would like improved in the next 3 years?																	
1st Choice																	
Answer Options	A. Biking and walking	B. Bus service	C. Traffic congestion	D. On-street parking	E. Parks and/or natural areas	F. Recreation options	G. Access to services	H. New developments	I. Adequate housing for a variety of income levels	J. Operating a business	K. Appearance	L. Connection to the people in my neighborhood	M. Place I want to stay	N. Safety	O. Other	Response Count

																<i>answered question</i>	<b>207</b>
																<i>skipped question</i>	<b>46</b>

<b>Please explain your answer(s) for the above question (three areas you would like improvements in):</b>		
1	<p>Not that many parks and NO pet friendly areas.            Businesses in area are trashy, would want improvement.            Too many panhandlers/vagrants by the River Rd - Beltline area!</p>	Aug 4, 2009 12:05 AM
2	<p>A. Safer biking on River Road. Perhaps make the sidewalk for bikes as well. Repaving it.            H. New developments of a natural food store, farmers market (the one on end of Chambers is not a good location), and bakery/cafe.            K. Make the area look more appealing. The strips of restaurants and stores look run down and the color appearance is not aesthetically pleasing.</p>	Aug 6, 2009 12:37 AM
3	<p>I wish I could get to a good grocery store without going out to Santa Clara or to 18th and Chambers; neither are very convenient nor are they really bike-able.</p>	Aug 8, 2009 3:44 AM
4	<p>The current businesses that I frequent are enough for my needs, but shopping options are limited.            I pay more in rent now than I did before, but I am getting more out of it. If there ever comes a time where I cannot stay where I am right now, I would like there to be options in this same neighborhood that I could afford to stay in.            I have only been here for about a month and a half, and am slowly meeting all my neighbors, and look forward to connecting with all of them in the future.</p>	Aug 10, 2009 3:09 PM
5	<p>The access to food, fuel are some distance from my home and the shrinking choices is also difficult understand.</p>	Aug 13, 2009 5:03 AM
6	<p>Traffic on Horn Lane should be slower - many cars get away with exceeding the 25MPH limit. New developments haven't fit in with the character of existing neighborhoods - new gigantic houses on tiny lots with no trees. There aren't enough small parks and playgrounds.</p>	Aug 13, 2009 5:34 AM
7	<p>C. Congestion on River Road, heading north toward the Beltline, is miserable, especially in the early evenings. But I am not in favor of a bridge from River Road to Valley River Center because I am certain that would increase, not decrease traffic. "Build it and they will come."             D. On-street parking is difficult because some neighbors have usurped the parking lane with their landscaping. (The parking lanes are unpaved except in areas of major new housing development.)             K. Run-down housing is interspersed with well-kept and newer properties. Because this area is within the urban growth boundary, not the city, there are properties with junker cars parked on front lawns for years on end, as well as other huge amounts of unsightly debris.</p>	Aug 13, 2009 1:58 PM

Please explain your answer(s) for the above question (three areas you would like improvements in):		
8	<p>I do not shop at the supermarkets in this part of town. Used to shop at Safeway but it closed. Most often shop at WinCo and supplement with Fred Meyer, Market of Choice, Trader Joes, or Capella.</p> <p>Sometimes dangerous to bike down even the wider streets b/c people drive fast and are not mindful. Hopefully the recent new surfacing includes delineation for bike paths/shoulders.</p> <p>Three times in 3 years, in 3 different parts of this area I have been witness to "isolated" incidents of disorderly behavior and/or violence. Perhaps a by-product of living near a park, but these were residents in rental properties. Sheriff responded, due to neighborhood watch reporting, to two of them after the situation dissolved.</p>	Aug 13, 2009 2:21 PM
9	<p>Infill standards are worrisome for these larger lots. I am worried that if people put in flag lots in our neighborhood that it will increase traffic too much, reduce the values of the homes, take out big trees, increase run-off, decrease valuable garden land, and generally decrease the peace in our neighborhood. We need our neighborhoods to be predictable and as it is, people are risking quite a bit to invest and live here, not knowing what will come down the street.</p> <p>As for services, it would be nice to have a decent independent store within walking distance, and maybe a coffee shop on the west side of River Road.</p> <p>Our neighbors tend to be very private and keep to themselves. It would be nice to have more interaction among us.</p>	Aug 13, 2009 2:36 PM
10	<p>First choice explained above, bad infill is happening. I am not opposed to it in general, just rampant and unplanned infill that is not compatible with the existing hood.</p> <p>A grocery store in the lower RR area would be sooooo welcome!</p> <p>I would like to see more greenway land purchased and added to the system. We already have a great greenway system, yet there are beautiful pieces of land that could be purchased before they get built on, like the land at the end of Greenleaf. We could either have more park land, or we could have up to 60 houses (from what I hear) on that piece of property.</p>	Aug 13, 2009 2:47 PM
11	<p>I'd love to see River Road itself slowed down, a natural food store, bakery, etc. close by, and more playgrounds in the neighborhood.</p>	Aug 13, 2009 3:17 PM
12	<p>In our neighborhood the greatest desire for myself and my neighbors is a close grocery/health food store. We have to travel miles to any grocery store and to get to an affordable grocery/health food store is at least four miles. Biking across River Road is a life threatening experience.</p>	Aug 13, 2009 3:24 PM
13	<p>as i said above, the speeding on howard makes it dangerous for us who bike in the bike lanes and walk in the bike lanes.....i do both on a daily basis.....enforcement of the speed laws and adding a couple of stop signs along the street would help.....</p>	Aug 13, 2009 4:47 PM
14	<p>I would like to see fewer home break-ins.</p> <p>The neighborhood is better for biking than walking. Walking is difficult because of the scarcity of sidewalks, and some streets, like mine, have a bend with poor visibility. I would like to see more traffic lights.</p>	Aug 13, 2009 5:06 PM

Please explain your answer(s) for the above question (three areas you would like improvements in):		
15	<p>The speed of traffic on River Road is the primary problem in the community. Traffic speeds in the local streets is also a big issue. This is practically the only thing that neighbors talk with me about.</p> <p>I personally would like to see bus service that threads itself through the neighborhood to stops on River Road. I live 1/2 mile from the bus. As I get closer to 70 years old, I am less likely to walk the 1/2 mile to reach the bus stop. I would love to have EmX come out River Road.</p> <p>I would also like to have a natural food store available without going downtown. More frequent farmer's market produce would meet more of my needs.</p>	Aug 13, 2009 5:21 PM
16	<p>Although River Road is abundant with natural beauty, much of the area is run-down, packed with businesses with ugly storefronts I don't frequent, and incompatible infill development. The entrance into the neighborhood at Chambers St. and NW Expressway couldn't be more unappealing. I am concerned about crime in the neighborhood, but more concerned about the safety of River Road itself. It bisects the neighborhood in detrimental ways. Crossing River Road on foot, bike or car is always dangerous. A good, medium-sized grocery store, like a Trader Joes, is really needed. I like having Fred Meyer, etc near, but getting across the Beltline intersection discourages me a lot.</p>	Aug 13, 2009 5:24 PM
17	<p>Access to Services - I would like to see a Natural Food Store on River Road between NW Expressway and Maxwell. More restaurants. More</p> <p>Safety - more police presence.</p> <p>Bus Service - routes are being cut and I think this requires a new perspective on providing transportation options.</p>	Aug 13, 2009 7:21 PM
18	<p>Walking or biking access to services such as groceries, coffee shops, banking, pharmacy, etc, is rather limited. The primary shopping is near the intersection of River Rd and Beltline, which is just far enough (and congested enough) to make biking inconvenient and hazardous. The available services/shopping near the intersection of River Road and Horn are limited and specialized ... the big gap is a full-line grocery store.</p>	Aug 13, 2009 7:53 PM
19	<p>A River Road library would be an excellent addition</p> <p>More commerce within walking distance: groceries, restaurants, coffeehouses, bookstores, etc.</p> <p>It would be great to have more in the way of arts and entertainment (music venues, etc) within walking distance.</p>	Aug 13, 2009 9:53 PM
20	<p>Preserve what remaining open spaces there are left. Provide incentives that maintain the semi-rural characteristic of the neighborhood. Perhaps establish more community gardens or aid in acquisition of open spaces that can be used for enhanced food security of the region.</p>	Aug 13, 2009 9:59 PM
21	<p>I commute by bike and feel unsafe by the road and sidewalk conditions as they are dangerous. Cars drive at unsafe speeds and result in accidents and deaths on River Road (a residential street). To access most services I currently leave River Road. The toxic waste "plume" is only going to spread and worsen for residents. It should be cleaned. I also feel that there is a better place for the cell phone tower at the end of my street.</p>	Aug 13, 2009 10:41 PM
22	<p>RIVER ROAD TRAFFIC IS SO HEAVY AND FAST THROUGHOUT SO MUCH OF THE DAY THAT IT IS GETTING MORE DIFFICULT TO TAKE ADVANTAGE OF WHAT THIS NEIGHBORHOOD COULD BE.</p>	Aug 14, 2009 1:53 AM

Please explain your answer(s) for the above question (three areas you would like improvements in):		
23	<p>Traffic speeds down Elkay drive to cut between river road and northwest expressway. How about some speed bumps? This is a serious problem.</p> <p>How about mixing in some high income housing? An economically mixed neighborhood would be wonderful. We have a preponderance of low and lower middle income housing here.</p> <p>We have had a number of home robberies in our neighborhood in the last year, as well as what may be a thriving meth trade. Can we have a neighborhood police station like the 13th/university and 5th/blair have?</p>	Aug 14, 2009 2:08 AM
24	My area of River Road could use more grocery options and a few more restaurants/bakeries to bike to.	Aug 14, 2009 2:25 PM
25	<p>access to services : i bike everywhere in the city but avoid the river rd/beltline vortex at all costs. the blue like lanes make it safer, but there's still too much traffic. i'm not really a fan of albertsons or fred meyer and probably have been to the mall on division a handful of times in 20 years. i shop bi-mart occasionally but there is no where in the whole of lower river rd to just be; a casual place where people can gather, have a drink or a meal and relax. the area is a traffic corridor and nothing more. which leads to the appearance aspect of the place. it's highway. there's nothing to draw a person to walk anywhere near river rd. it's loud, the traffic is high speed and dense. we are lucky, of course, to have the benefit of the river path, emerald park and center. these are the area's saving grace.</p> <p>regarding new developments. there is a great deal of open space in the river rd area. i support making use of available space but would prefer it lend some sense of neighbor character, a greater attempt to blend it with what's already there. i could subdivide my own property, for instance, but would have to put another house in front of mine. it would be much more pleasing to build beside my place, but my lot is 5 ft too narrow. the aesthetic effect and ability to enjoy the property would be lost with properties front and back.</p>	Aug 15, 2009 7:24 PM
26	<p>Appearance: One thing that has been a great disappointment is the lack of beautifying the area once streets are widened or housing developments put in. River Rd. itself used to be a grand, incredibly beautiful drive with magnificent tall evergreen trees lining it on both sides. Once the road was widened and the majority of those trees cut down, little was done to recapture the grandeur of the area. Little, scrawny trees that are bare for six months out of the year were what the city replaced the evergreens with. The bare minimum of beautifying River Rd. was done. There are no islands with beautiful plantings. If you were to drive into the Coburg Rd. area you would see a stark contrast. There much has been done in upgrades in landscaping along roadways. I want to see evergreens planted along streets in the River Rd. area. Even if they take a little longer to grow, they remain green year round. I want to see more native plantings, landscaped islands along River Rd. I want to see that Parks are enhanced and usable by the community such as Razer Park. Emerald Park has been a great asset to the community and I'd like to know that it has continued support to keep programs available.</p> <p>Operating a business: I guess I'd like to see some of the older strips of businesses improved visually. The area down in Santa Clara where the old Grocery Outlet was has recently gone through upgrades. It seems that it will be an asset to the nearby neighborhoods. When the old Safeway became vacant and eventually Grocery Outlet moved in, business improved confirming the need for a grocery store at that location.</p> <p>Parks and other natural areas: Recently we celebrated the opening of a little neighborhood park. One of the great things about River Rd. is that we have residents who appreciate the beauty of the natural vegetation, who choose to live more green lifestyles, who support community activities, who rely on and appreciate the local farms. We want to keep River Rd. green. We don't want crowded housing developments and cement jungles. Many residents have large lots and like to garden. This is an older part of Eugene and I believe that some of the qualities that draw people here need to be maintained and supported. Enhancing, improving and supporting our local park areas are important to all of us. I have not trusted the city board/council to understand the needs of our area. I think they have lost sight of what is important to the rest of us who live here.</p>	Aug 16, 2009 9:21 AM

Please explain your answer(s) for the above question (three areas you would like improvements in):		
27	I think the appearance of River Road could be improved; some of the businesses and tiny strips of businesses could sharpen up their appearance and I hate the idea that the first store one sees as Chambers becomes River Road is the adult store.	Aug 16, 2009 3:28 PM
28	on river road at 5pm every day or at lunch time, if you try to go just to the store, there is a traffic jam, everyone going to the freeway is on the first lane, everyone going to the post office is in the first lane, everyone going beyond the freeday to fred meyers is on the first lane, if you get to the inside lane, you probably wouldn't be able to get into the first lane till you get to Albertsons. People are inconsiderate at that time. on Safety, they put center cross areas, right near where I live on river road, but the people still j walk, because I have seen three times, where someone is crossing and a driver on the other sides speeds by close call for the cross person. There should be a button that a person pushes to indicate that someone is trying to cross so that all approaching traffic gives that person a chance to cross. Once there was a young mother and her baby. Thank god she looked to make sure the inside lane traffic also was going to stopped, because one car didn't. those cross areas are an accident ready to happen. set up that wasn't set up to protect the cross walk person. and on street parking. on maxwell, you can't go to a garage sale, cause you can't park in the bike lane so there is no place to park.	Aug 17, 2009 2:27 AM
29	I would appreciate a "Market of Choice" type of grocery store in the River Road area. A place I could walk to...the old Solstice bread store was perfect. I urge caution on the long range use of biomass as fuel/energy source. I already suffer from the field burning and allergies and do not look forward to the Seneca enterprise.	Aug 17, 2009 2:41 PM
30	What makes this neighborhood a good place to live is the easy access to the River Road Park and the bike paths. The older housing, with larger lots, helps the street congestion. I live in the newer housing which I like, but the lots are very small, and having to pay more to use the local park is frustrating.	Aug 17, 2009 2:59 PM
31	Start (again) reimbursing the Park District for in-district residents that are city properties (like mine). I pay a ton in city property taxes, and the City has chosen to cut funding to the only decent park & rec services in the area. The City doesn't have anything to speak of in the area. We're furious.  Improve Beltline interchanges at River Rd and Delta Hwy. We feel cut off from commercial districts during a lot of the day because traffic stinks.	Aug 17, 2009 3:25 PM
32	g. There is no decent store within walking distance (1/2 mile)  h. We cannot predict residential development in our neighborhood because flag lots are allowed and are changing the quality of life here.  i. People tend to keep to themselves and don't do a lot of mixing in our neighborhood. I don't get it....	Aug 18, 2009 5:18 PM
33	Crossing River Road to access the river bike path is dangerous at almost all times of day.  Parks and natural areas should NOT be sacrificed for development along River Road Corridor and the city should give back fees to support the River Road Recreation District for properties that have been annexed to the city. It is silly to think that we would go over to Amazon or other INCONVENIENT rec facility just because our property has been annexed into the city, or have to pay out of district fees to use the facility. Some local good restaurants or grocery on lower river road would be nice if affordable.	Aug 19, 2009 5:51 PM

Please explain your answer(s) for the above question (three areas you would like improvements in):		
34	Too many vehicles on River Rd. due to too much growth and no new roads. Undesirable people often hang out at the river. Rentals in the area often lead to poor upkeep.	Aug 19, 2009 8:10 PM
35	I have to walk 1.8 miles home from the nearest bus stop	Aug 20, 2009 5:24 AM
36	Get to know my neighbors more, lower rates for homes and reduce speeding on river road as people speed through red lights on river road which is extra dangerous for pedestrians crossing the street.	Aug 20, 2009 4:20 PM
37	The greenspace at E. Hatton Ave and Lanson Lane, should be turned into a park. It is quite large, and connects to the river path already. Would greatly benefit the kids and families in the area. 2. Between the greenspace and the river, is a large natural growth area with lots of underbrush etc. Lots of homeless bed down in the area, making a health and safety issue for families, kids, walkers, etc., going by the area. Have found many discarded needles, trash, human waste in the area. I understand the need for natural vegetation, flood plain and such, but what can be done about this. 3. See above.	Aug 20, 2009 8:08 PM
38	1. I've got to walk a quarter mile to the bus stop and when it rains I've got to stand in the rain to wait then get sopping wet. I'd like to have some more covered bus stops. 2. While it's not real safe to get on and off the bus when it's slick out, it's also real pitch black walking home at night. I'd like to have a few more street lamps. 3. I want EWEB to stop sending out hacks when it comes to doing tree trimming. They aren't safe and make more work for themselves for the following season because they are hacking at the tree limbs and leaving a mess. They don't have to do a pretty job just a smarter one	Aug 21, 2009 6:07 AM
39	Biking/walking: There are no sidewalks or bike lanes in our neighborhood (at least not around where I live) and the shoulders are very narrow. It would be nice to have some space out of the roadway in which to walk or bike.  New Developments: I'm not aware of any new developments. New development whether commercial, residential, or public would be nice for our neighborhood.  Operating a business: This suburb has great little pockets of businesses within the neighborhood, not out on River Road. ie convenience store, coffee stands etc. This makes it a great place to live because we can walk to these places. It would be terrific if zoning permitted cafes and small businesses to operate within the neighborhood fabric. What exists makes it such a nice place to live.	Aug 21, 2009 3:55 PM
40	1. for people who are ageing the bus service is not good enough thus forcing people to use cars when they should not be driving.  2. Bramblewood park needs urgently a water fountain, we have a lot of young children and adults who use the half court and play equipment and no water to drink, plus more people would have picnics if there was water. Maybe a porta-potty would help?  3. Bramblewood Ln is a road used by all residents including those not living in the new homes at the end of Bushnell even the contractors use Bramblewood Ln I don't know for what reason they could use Bushnell but they prefer to use Bramblewood creating a dangerous situation at the park where kids are playing. In the nearly nine years we have lived here speed is the main culprit, I have them to slow down but get abused and told that they don't care about anybody else, because of this I have things taken from my home I have reported this several times to the works department and police but nobody at council level cares or there is not police available.	Aug 21, 2009 3:56 PM

Please explain your answer(s) for the above question (three areas you would like improvements in):		
41	<p>The Middle and High school in this neighborhood are, in my opinion, the worst in Eugene. The Middle school does not give children an opportunity to expand their knowledge at a rate that works well for them, and often they have to wait for others in their class to catch up on very simple concepts. The school should offer all types of different math classes available to everyone -- Pre-Algebra, Algebra, Geometry, etc. rather than 6th, 7th and 8th grade math.</p> <p>On school days around 8 am, Silver lane is highly congested with Cars dropping kids off at Yujin Gakuen. There must be some solution to this. It is hard to get around all the cars.</p>	Aug 21, 2009 4:21 PM
42	I would like to see less density in the new subdivisions.	Aug 21, 2009 5:28 PM
43	I think that the River road area could use some more restaurants (besides fast food places) and more shopping. I find I go to other areas of town for these sorts of things.	Aug 21, 2009 11:02 PM
44	I believe the access to services is mostly directed towards a market with produce and other food options not just a convience store. Traffic on my local streets are fine but the traffic on River Road is very bad and unsafe for folks on bikes or try to cross the street. I would like to see more of an emphasis on biking and walking in our neighborhoods. Thanks!	Aug 25, 2009 3:10 PM
45	I, and several of my neighbors, have had their homes broken into and property stolen. When I reported the break-in and theft at my home (back in 2004), no one came to my home to investigate, and when I got a copy of the police report, it was not even an accurate description of the crime, even though I had given it very carefully and very thoroughly over the phone. It made me feel that it just wasn't important to the authorities, even though a very expensive musical instrument was stolen.	Aug 26, 2009 6:23 PM
46	<p>My house was burglarized in the middle of the day in October of last year. My peace of mind was taken from me and I haven't been able to recover it. I lost my husband just prior to this so I am alone and now feel somewhat unsafe in my home.</p> <p>Would be nice to have some nicer restaurants or a nice pub or coffee shop to walk to (more of a "neighborhood" feel).</p> <p>Howard is difficult to feel safe walking, running or biking on as the bike lane is narrow and there are no sidewalks. SPEEDING CARS are an issue I'm feel concerned w/on Howard.</p> <p>Cars often run the red light at Howard and River Road as well.</p> <p>I know that there are going to be more pedestrian lights on River Road...glad to hear it.</p> <p>More police presence and patrol please!</p> <p>The lack of sidewalks, curbs make it difficult to have adequate parking, etc.</p>	Aug 27, 2009 1:55 AM
47	<p>We have to drive several miles for a nice grocery store and there are almost no stores nearby. We have to drive anytime we need to do shopping.</p> <p>The River road area is an older neighborhood that has an organic feel with the landscape around it. There are some newer housing developments along River road that don't fit this.</p> <p>To get anywhere in town by bus from River Road, you have to go through Eugene station. It would be nice to have a North/South connector or something of that nature.</p>	Aug 28, 2009 9:52 PM
48	For the most part, I think it is all fine. It would be nice to have a Kiva-like grocery store and a Morning Glory type of cafe and a good bakery would be nice too. Some Eugene neighborhoods seem a lot more social than this one, but in some ways I like the privacy.	Sep 2, 2009 3:59 PM

Please explain your answer(s) for the above question (three areas you would like improvements in):

49	<p>H. New Developments The in-fill development from the last boom cycle (from sewers to present) has destroyed much of the desirable, agrarian edge, character of River Road. We have been left with patches of new development blight, which, while providing short term profits for a few, has seriously eroded the natural resources, character, desirability, appearance, property values and safety of our neighborhood. Additionally, the island annexation policy has created rifts in the fabric of our community, seriously threatening our valued park district and other community resources. I am not opposed to development, I just wish the City had performed a refinement plan years ago, with the goal of creating development standards designed to integrate compatible development into what was once a uniquely valued part of Eugene. I'm not sure what can be done at this point, I feel very sad about my neighborhood's future. Overlaying McNeighborhood development standards has not been good for River Road.</p> <p>G. Access to services While the schools have recently improved a bit, the current 4j policy direction of limiting school choice will have devastating consequences for River Road. School choice preserves neighborhoods, and as education choices decrease I believe the area will drift toward more rentals, lower income, and make 4j's goal of creating more equity in school quality ever more difficult. Again, this is a difficult issue. The question of business services is not one of quantity, but of quality. We travel out of neighborhood for schools (Churchill High School) and some shopping.</p> <p>M. Place I want to stay I am very conflicted about staying here. On one hand we have a beautiful home and garden, love the access to the river and bike path system and the community here. On the other I believe we will someday regret making our home here as the neighbor continues to decline due to land use and school choice decisions.</p> <p>A. My neighborhood is comfortable to bike and walk in We bike, use the bus, walk and drive our auto little. Generally speaking our neighborhood is very bike/ped friendly, EXCEPT River Road itself. Lowering the speed limit to 35 MPH, while unpopular for some, would improve the safety greatly. With improved perception of safety, more people would bike. With a lower speed limit, and improved bus service, busing might become more popular also. The City of Eugene has done unpopular things before in the name of safety (the Sewer Wars are the most obvious example), please consider this one, simple change.</p>	Sep 2, 2009 5:00 PM
50	<p>g. i am a neighborhood person. i want to be able to live where i shop and like to hang out. river rd just doesn't fit the bill for me.</p> <p>c. this is probably the biggest part of what i consider an inter-related problem. river rd is a major arterial people take mostly to go someplace else. the speed, noise and density of the traffic overshadows everything else. to walk along river rd for enjoyment is out of the question.</p> <p>h. i am a proponent of infill and know there is a lot of space to build in our area. development is strictly for the benefit of the developers with little or no thought to neighborhood appearance or cohesion. also, there is nothing for someone of little means be that apartments or 800-1000 sq ft homes.</p>	Sep 2, 2009 8:44 PM
51	<p>1. River Rd. is a death trap to pedestrian safety and neighborhood connectivity &amp; ambiance.</p> <p>2. We need to attract business that suits the needs of the neighborhood (ie, a grocery store with natural foods, a coffee shop/bakery for locals..) with businesses facing the river to cultivate our best resource.</p>	Sep 3, 2009 5:21 PM
52	<p>1) There needs to be a viable health-food oriented food store in the River Road area.</p> <p>2) There needs to be more bike lanes and bike-friendly environments in River Road.</p> <p>3) There needs to be a bus that runs from River Road and goes East- for example a bus that starts at River Road/Silver Lane and goes East on Beltline to the new hospital in Springfield.</p>	Sep 4, 2009 3:38 AM

Please explain your answer(s) for the above question (three areas you would like improvements in):		
53	<p>For a residential street, I would like to see River Road have slower traffic and be safer for other users. I avoid being on or close to it as much as possible.</p> <p>I would also use more services if they were more locally available. River Road could use a food store specializing in natural foods. Such services, if would help bring local community together. Right now my only option is Grocery Outlet.</p> <p>I would use the bus more often if there were different routes that could take me places other than the Eugene Station. It takes me at least twice as long to get places by bus than on a bike.</p>	Sep 4, 2009 4:16 PM
54	<p>Need more quality, neighborhood type restaurants, services, shopping. The City of Eugene MUST support the local park district - collecting my city taxes and failing to support the local park district is not acceptable.</p> <p>There are also park properties along the river that are not developed, what a shame. Too many old, run down properties along River Road.</p>	Sep 5, 2009 4:22 AM
55	River Road needs more safe street crossings and to have the traffic slowed. The bike paths need to be repaved.	Sep 7, 2009 5:08 PM
56	<p>Really no services south of Maxwell Rd like a grocery store, bar (one that's mediocre at best), medical clinic.</p> <p>Some new subdivisions are crammed in, with tiny lots and ugly homes. A lot of the River Road area south of Beltline has older homes, big lots and trees; stop letting people sub-divide into so many small parcels - it doesn't fit in.</p> <p>Even though we are on County road, big 18-wheeler rigs should not be allowed to park on street when street is narrow; emergency vehicles can't access the full street when rigs like that are parked on the street - they should not be allowed.</p>	Sep 10, 2009 9:15 PM
57	I would like the City to stop cramming development into my neighborhood on the basis of preserving land that is neither scarce nor rare.	Sep 11, 2009 9:58 PM
58	i feel the city does not put a high enough priority on safety by the way police/sherrif budgets are cut.	Sep 14, 2009 9:20 PM
59	Since Solstice left the neighborhood, the only food shoping options available are up near Beltline. There are very few cafes, shops, coffee shops, or small eateries that one can easily access by foot. In addition, the lack of sidewalks makes walking on some of the busier streets (Park, Hilliard, Horn) rather dangerous.	Sep 14, 2009 11:46 PM
60	<p>Heavily trafficked side streets are sometimes dangerous to walk and bike on due to lack of sidewalks and bike lanes. Also, cars and motorcycles often drive far over 25 MPH on those side streets that connect NW Expressway and River Road. I do not feel safe taking our child on these streets for walks and/or bike rides.</p> <p>Many bike riders use the sidewalks along major roads and do not yeild to pedestirans, making the available sidewalks less than adequate for family walks. I think it should be a priority to either widen the sidewalks along River Road or place a physical barrier between the bike and car lanes to make people feel safer using the bike lanes.</p> <p>Lack of on-street parking has lead to our finding cars parked in our yard and on our rented property on a regular basis. Additionally, cars often block stop signs by using the area directly in front of the signs as parking.</p>	Sep 15, 2009 5:31 PM
61	<p>Out of city and people can keep their properties dumpy.</p> <p>The traffic and accidents are tremendous in all directions.</p> <p>Undeveloped or old commerical properties look terrible.</p>	Sep 17, 2009 8:41 PM
62	I would like to see more patrolling of the park (Emerald) due to the rough crowd there at times. It would be nice to have some walkable destinations for coffee or meals. People need to pay more attention to how the present their houses, but that is true of most of Lane County, or little Appalachia, as I call it...	Sep 18, 2009 4:40 AM

Please explain your answer(s) for the above question (three areas you would like improvements in):		
63	<p>Living in the unincorporated section.... It might be nice to have a market in this area...and cross-walk to access the parks, bike path with more lighting/monitoring naturally maybe water sprinklers on in areas by the river where bikers tend to gather with who knows what kind of meetings. Improving Safety in the surrounding Bauer/Hansen area-even though it might be getting better. Gather more data.face to face with longer time neighborhood residents..when crime/burglarly occurs to get at the crux of the safety issues: #1. More lighting &amp; across walker Bauer &amp; River Rd. would be nice to access the parks/biking and shopping venues. With ...Looking Glass new building, more people will be working in the area and....because the traffic is thick as it is more &amp; more, cross-walks would be helpful. Just a few thoughts integrated into the choices I selected. The face of river-rd is changing.</p>	Sep 18, 2009 3:15 PM
64	<p>River Road speed needs to be SLOWED, and there must be improved safe access across the road for pedestrians and bicyclists.</p> <p>I support adding EMX service along River Road and think improved public transportation will go a long way towards reducing traffic congestion, improving access to existing services and natural space, and serving to stimulate new appropriate development in our neighborhood.</p>	Sep 19, 2009 1:47 AM
65	<p>B. Cross town bus routes so I can get where I want to go without having to wind through other neighborhoods or go to the depot</p> <p>A. A SAFE way for a pedestrian to cross River Road at least every other intersection.</p> <p>C. Slow traffic down on River Road and major cross streets such as Park Ave. People do not respect the posted speed limits. We do not have sidewalks on these streets, and that would be OK if the roads were modified to slow traffic down a bit.</p>	Sep 21, 2009 5:53 PM
66	<p>The new developments are CRAMMED into existing neighborhoods and do not blend. New developments are annexed into the city causing a chopped up mess in the neighborhood.</p> <p>There have been several break-ins in cars and homes recently in the neighborhood and it doesn't feel as safe anymore. The congestion on River Rd and on Beltline are getting very bad.</p>	Sep 21, 2009 5:56 PM
67	<p>I want to be able to live close to stores and services, in an area that doesn't feel too densely populated, with big trees, few streetlights, few sidewalks, and much less traffic.</p>	Sep 21, 2009 6:11 PM
68	<p>We have to travel some distance to buy food and the restaurants are of low quality.</p>	Sep 21, 2009 6:24 PM
69	<p>There has been a big increase in what appears to be drug traffic, and that traffic makes me feel unsafe in my neighborhood. It seems that it is similar traffic to what was happening one street over, was busted, and now has moved to our block and one over. I want to work with the community, police, etc to curb this traffic, not just shift it from block to block.</p> <p>I would love a little more variety in services-- another restaurant or two, coffee house, small pub, small local/natural grocery kiosk or store, etc.</p> <p>Some of the new developments look awkward in the neighborhood. They are big houses with no yard, no character, surrounded by fence. It looks strange in a neighborhood of interesting old houses with big yards, able to interact with the community.</p>	Sep 21, 2009 6:59 PM
70	<p>I would like to have a dog park in the River Road area. I would like to see more restaurants in the River Road area.</p>	Sep 21, 2009 7:32 PM

Please explain your answer(s) for the above question (three areas you would like improvements in):		
71	The area seems settled and has retained most of its original appearance. Traffic on River Road is a negative and I am surprised in was not mentioned in the survey. Also absent was the possibility for a bridge from River Road to VRC, which has strong neighborhood opposition.	Sep 21, 2009 8:07 PM
72	1. Bicycle safety, add a flashing light on all River road cross walks. My son has been hit on a bicycle, and I see many near misses. 2. Enforce laws to remove visual barriers at the corner of Maxwell and Oak Drive. The hedge is extremely dangerous! 3. City to give back the funding they have taken away from River road park and rec center by island encroachment of city vs River road district boundaries. City to reimburse all funding taken away from River road district. This is my most passionate cause!	Sep 21, 2009 8:41 PM
73	River Road is a barrier to things on either side. It could be a destination, rather than a thoroughfare and a danger. Let's add stoplights, lower the speed limit, divert traffic to the expressway, and encourage shops (especially a grocery store in lower RR) to settle in.	Sep 21, 2009 8:45 PM
74	Better access to grocery stores and other services that would give the opportunity to connect with more of those living in the neighborhood.	Sep 21, 2009 8:56 PM
75	It can be very dangerous to cross River Rd as a bicyclist and walkers New developments need to fit the neighborhood MC Mansions don't fit the neighborhood  Rentals need to be kept up by their owners	Sep 21, 2009 9:29 PM
76	Some people in my neighborhood have very unsightly property -- lots of stuff and junked cars, etc. Some rentals allow many unrelated people, with many cars. I like these neighbors as individuals but I wish these properties were better maintained. In extreme cases I have contacted City or County Departments and eventually got some action, but I dislike being the neighborhood enforcement agent. I wish there were an easier way to maintain a basic appearance standard in River Road.	Sep 21, 2009 9:38 PM
77	I honestly don't really know any of the people in my neighborhood, it is partially my responsibility to introduce myself, but they have a responsibility as well.  There aren't very many great restaurants that I would want to go to in my neighborhood. If I want to go out for dinner, I generally ride my bike downtown.	Sep 21, 2009 11:35 PM
78	Minor problems.	Sep 22, 2009 12:39 AM
79	I used to be able to take a direct bus to and from the University to work but the 3x was cancelled and then restored but the times don't work for my work schedule anymore.	Sep 22, 2009 12:48 AM
80	Howard Ave has a school at the west end of it. it is a 25 mph zone without sidewalks (which is great) but people fly down the street coming and going from Emerald Park, a facility I use for its gym. I love that the park is close but our street needs speed bumps or better traffic enforcement. If people want to go faster Maxwell was designed for that. TOO MANY HOUSES CRAMMED INTO TOO SMALL LOTS. We pay city taxes and are about to have our fees raised significantly for using the closest gym and park for us because the city decided to stiff funding for Emerald park. There needs to be a mechanism for those people that use Emerald Park to have some of their extra tax funds diverted to Emerald Park. Why should we city folk pay more to get less? I love this area but feel like the city does not give us our money's worth for the taxes we pay.	Sep 22, 2009 1:12 AM
81	Keep our larger lots; be more reasonable about #'s of housing units planned for land like the old filbert drying farm; more green, less concrete; don't let developers scrape off the topsoil on new lots; traffic bumps on Howard Ave.	Sep 22, 2009 3:57 AM

Please explain your answer(s) for the above question (three areas you would like improvements in):		
82	<p>K. Appearance: Although River Road along Maxwell is fairly tidy, I worry that the number of rentals along the west end of Maxwell and other streets can easily degrade when people regularly park on their lawns, leave trash scattered about. I worry that the perception of our neighborhood can decline rapidly if this sort of housing, or care for rentals proliferates.</p> <p>E. We have some open space, and I would like to see it maintained or turned into parks. In development, while good on the whole, can seem in north Eugene, a bit too crowded when three houses are put on a lot for one or two. Also some roads are not finished but rather rutted gravel with no maintainance. This can invite mistreatment because it looks like the third world in spots on Hamilton.</p> <p>I. We have, I think, a fair amount of low income housing. It would be nice to see development with higher income housing. Or transforming open space into meadows or parks.</p>	Sep 22, 2009 4:45 AM
83	River Road crossings are hazardous, need to have a few more crosswalks with lights. I would like to see a few more business zones in our neighborhoods, not just on River Road itself.	Sep 22, 2009 4:50 AM
84	More Health food stores are needed	Sep 22, 2009 11:02 PM
85	All 3 improvements are making river road a slower road and discourage commuters. It's deadly trying to cross the road!!!	Sep 23, 2009 3:34 AM
86	<p>Some sidewalk and better bike lane infrastructue needs to be put in on most streets. It feels very unsafe for bike riders and peds right now - especially children.</p> <p>Segments of the bike path feel unsafe when groups of transients and their dogs set up camp and claim it as their own. Scary! I had several dogs come after me and my 2 year old son one day and the people just laughed like we were trespassing. Another early evening (6:30pm) there was a drunken fight with one man passing out, right on the bike path (again, with only myself -mom- and my 2 year old son, this felt VERY scary and unsafe!) The bike path should be for all people and should feel relatively safe especially during light hours.</p> <p>Traffic congestion on River Road can be really bad at peak hours. It is hard to feel safe biking and walking, crossing, RR at these times.</p>	Sep 23, 2009 6:23 PM
87	Again, we are SORELY lacking in high quality grocery stores. I do travel out of the area frequently to shop in clean, well-stocked stores. Bus service to the U of O could be better. South end of RR looks a bit shop-worn.	Sep 23, 2009 11:40 PM
88	<p>1) The new developments that have been recently put in DO NOT fit with what's already here at all. I hope no more get put in.</p> <p>2) enough room for walking and biking on the side of the street is non-existent in many areas of the neighborhood.</p> <p>3) The RR collector 55 is nice, but there needs to be more options from the RR Station. Ideally, there would be routes that went between the stations from W. 11th to Gateway. This would increase the likelihood commuters would ride bus to work and reduce Beltline congestion. It would also make it easier to get to the different parts of Eugene for recreational use. W.11th, Barger, RR, Coburg Rd and Gateway would be the stops, just off the belt line. For a person who lives out from the center of down having to go downtown, then transfer only to go back to the same side of Eugene, ie RR to Gateway, is not practical and takes a long time. I am surprised that this hasn't been done already.</p>	Sep 24, 2009 1:26 AM
89	I would like more businesses within walking distance for lower River Rd. Appearance could be improved in some places.	Sep 24, 2009 3:18 AM
90	Good employment for all people...even entry level workers without working about having OHP taken away...They make it so one cannot get a job because if you do, the city, county, state workers have made it that PERS and their salery will not be touched and that you suffer and "stay in your place" and not be allowed to improve...no matter if you have a college degree or whatever.	Sep 24, 2009 8:04 AM

Please explain your answer(s) for the above question (three areas you would like improvements in):		
91	I'd love to have a natural foods store on River Road close to Hilliard. Develop some methods for neighbors to connect with their neighbors - this strategy improves the safety also. More Lane County sheriffs to cover Lane County.	Sep 24, 2009 6:10 PM
92	C. congestion is not a problem, but speeding on our long, rural-like streets is a huge problem H. development standards currently allowed by the City enable construction of partitions and subdivisions that are incompatible with the neighborhood. I am not certain that the work of ICS will be adequate to address these issues, a refinement plan is what is needed. Neighbors have put effort into various city projects and have created plans which need to be implemented. F. Emerald Park is an excellent resource, the city subsidy should be increased and continued.	Sep 24, 2009 6:13 PM
93	Having more basic services in the southern River Road area would improve liveability by having more businesses that people could walk/cycle to. Safety is overall public safety - police presence in Eugene overall needs much improvement in order to improve citizen safety and decrease property crime.	Sep 24, 2009 8:36 PM
94	Biking and walking. There are no sidewalks and, though the posted speed limit is 25 on our street, people use Elkay Drive as a thoroughfare. The speed is well over 50 all day long. I have called the police over and over again and have had a response only one time. It is dangerous on this street.  Connection to people in neighborhood. People stay to themselves. Elkay Drive is not a street where people cross over to say hello to neighbors.  Safety. We have a neighbor that is a drug user and has friends at all times of day and night. They use our driveway to turn around in. They almost hit my children (playing in their own yard 1/4 acre from street!) and my dog (she was sunning herself on the drive, again 1/4 acre from street).	Sep 24, 2009 10:55 PM
95	I wish there was a designated bike lane/walking lane. Or at least make sure the shoulder is paved wide enough and free of obstructions so it was safe to walk with my young children. Also, If speeds could be checked that would be good (I am a fan of speed bumps). It lowers speeds without the need to patrol or the cost to the ticketed drivers.	Sep 25, 2009 4:22 AM
96	I live in a manufactured home and so more often than not, the types of people that live in these lower priced "homes" have lower standards of civility and neighborliness than others. There is also more crime, more kids running around getting into trouble, and the environment overall is low class and unappealing. If the area were spiffed up more, utilizing natural areas for parks or trails etc. Provide driveways for the many homes that are forced to park on the street which really clutters things up. Lastly, to take out the huge mailboxes that hold mail for a bunch of people and allow folks to have their own mail box like normal. Less likely to get other people's mail or for them to get yours (as happens a lot here), not to mention the need to somehow keep cars out of the way (remember we all have no driveways) for the mailman who must drive a semi for the amount of space he claims to need. Thanks for reading.	Sep 28, 2009 5:36 PM
97	Ferral cats are everywhere and constantly litter on my property. That creates a fly festation problem and who knows what that causes. Many neighbors yards are weed infested and I wary about summer fire hazards.	Sep 28, 2009 6:03 PM
98	The main thing that is frustrating about where I live is that my primary access to other parts of town is River Road (quite congested) and Beltline, which is a nightmare to drive on during the day.  The only other issue that is somewhat concerning is the safety of the area. While we're not in a terrifically "bad" part of town, a number of property crimes have been perpetrated as well as car and home break-ins in the last year or so.	Sep 28, 2009 10:03 PM

Please explain your answer(s) for the above question (three areas you would like improvements in):		
99	<p>It would be better for walking if there were fewer dead-end streets. Through walkways would help. As it is, you have to go miles around or walk on River Road, which isn't pleasant.</p> <p>The river Greenway is the only natural area/park I use. More benches and some trashcans would greatly improve it. I'm also distressed that the City regularly mows down wildflowers before they have a chance to seed. This year some were cut before they'd even flowered. Every year there are fewer varieties.</p>	Sep 29, 2009 12:09 AM
100	<p>1. Safety: I am very aware of the people - mostly men - that are camping/ staying in the areas beside the bike path, near the river. I do not feel safe walking/running after dark. I commute by bike during daylight hours and I carry a phone and pepper spray. I have been verbally harassed while commuting in this area and have had men attempt to slow/stop me while biking and walking.</p> <p>2. Parks - I'd love to have another playground in the area.</p> <p>3. Bus service directly to the UO would be great.</p>	Sep 29, 2009 6:18 AM
101	I would love to see a business comparable to Solstice Bakery, which filled a need for a grocery store, as well as a good place to eat.	Sep 29, 2009 3:17 PM
102	For our neighborhood & Cadojen park to be more safe, we need bike paths for bikes & pedestrians to access year-round safely. By installing Turf stone paths, emergency vehicles can more easily access the river/bike path. Hopefully this will help allow my neighbors with wheelchairs & children in walkers (and also the new Church Of God - 7th Day folks) enjoy the educational trees in Cadojen Park, & access the river/bike path more easily. We also hope to deter vehicular traffic by using ballards , big rocks, & /or boundary logs along S. Lanson Ln..	Sep 29, 2009 4:49 PM
103	Need more stores & restaurants of variety on lower river road Neighborhood bus off north park Put in more options to get Santa Clara traffic out of our neighborhood	Oct 1, 2009 11:43 PM
104	The Kelly Middle School area is an accident waiting to happen!!!! there are no side walks along N. Park the kids swerve in and out of traffic on bikes, boards and feet all day! i dont know what it will take but more than likely a death. Maxwell road and N. park needs a stop light!!!! with busses and traffic trying to move through that intersection with one blind corner again what will it take a death to ge someones attention? I think the biggest concern in this particular area is the safety of the children whether it is expanding the road out an addition 8 feet on each side (allowing for a 2' painted safety buffer between traffic and pedestrians) to provide a bike path or walking area. Installing traffic lights to allow the kids to cross safely at the Maxwell N. Park intersection. As far as conjection... i dont think there is a cure for River Road!	Oct 2, 2009 1:45 PM
105	It would be nice to see the Eugene Police drive through on a regular basis. Increase natural areas for neighbors with pets and children. Biking and walking on Park Ave can be dangerous. Sidewalks would be great. Speed signs and enforcement would be good in areas just South of Park ave. (Dorris, Hardy Ave).	Oct 2, 2009 9:29 PM
106	<p>O. There is a huge demand for community garden plots. We need to be growing our own food for reasons of economic security and climate change mitigation.</p> <p>G. We need a nearby organic grocery store. The closest one is Red Barn, which is 3 miles away. Big box stores should be discouraged through taxation or some other means.</p> <p>A. Big box stores should be discouraged through taxation or some other means. It is difficult to get where we need to go on a bike when everything is so far away. Bus services should also be expanded, rather than wasting money on repaving roads that don't need repaving, or even worse, building new roads while VMT is on the decline.</p>	Oct 3, 2009 12:15 AM

Please explain your answer(s) for the above question (three areas you would like improvements in):		
107	<p>Bring EmX to River Road soon! And improve the bike and ped. friendliness of River Road.</p> <p>Enhance and protect natural areas and natural values along river. This does not mean more paving and people-oriented recreational facilities. It means more trees and shrubs and wildflowers, tall grass habitat for wildlife, etc. And preservation of some of the charm and attractiveness of the unpaved paths.</p> <p>Lower River Road needs a small to medium-sized natural foods store.</p>	Oct 3, 2009 3:44 AM
108	<p>The closest grocery store is in downtown Eugene. I would like a closer grocery store. Bus service is good on the weekdays but poor on the weekends. I would like a bus to run more frequently on weekends. Crossing river road can feel dangerous and may take a long time because of traffic. I would like to see a cross walk built across river road by the park.</p> <p>I also worry about speeding police cars that do not have their lights on. I see them fairly often speeding down the center lane without lights, at around 60-70mph. I worry for pedestrians as well as cars who may not be aware of police cars in the center lane.</p>	Oct 5, 2009 6:44 PM
109	<p>There is little on-street parking in my neighborhood and it is sometime dangerous to pull out of my driveway because of it.</p> <p>I would also like to feel more connected to the people in my neighborhood. I think that a block party or similar event would give everyone a greater sense of community.</p>	Oct 5, 2009 10:27 PM
110	<ol style="list-style-type: none"> <li>1. We badly need grocery store on River Rd south of Beltline.</li> <li>2. The businesses on river rd have been allowed to run down and we need to spruce it up.</li> <li>3. Be nice to have a small post office like on Willamette.</li> <li>4</li> </ol>	Oct 5, 2009 11:29 PM
111	<p>River Road is quite treacherous whether you are in a car, on a bike, or walking, and there is a lot of traffic. People (who don't live on our street) speed up and down our street (Sunnyside Dr.) and are a hazard to others walking their pets (because there are no sidewalks) and to kids biking, and pets in the neighborhood (such as cats for instance). I feel the speed limit should be lowered to 20mph, AND ENFORCED. Also, some people just don't realize that if there are people walking pets on the side of a street with no sidewalks, they should give them a wider berth rather than threaten to run them down as if they are invisible unless they pull off the road into someone else's driveway. I have to assume these are ignorant, uneducated, inconsiderate people who are not aware that a car can be a dangerous weapon and hitting someone can change your life, forever. Perhaps better driver education is needed? Also, I would prefer that people keep their pets on leash rather than allow them to run up and down the street crapping and threatening others who ALWAYS keep their dogs ON LEASH (such as myself, thank you). I have practically had a heart attack numerous times with dogs who are NOT under the control of their owners, attacking me and my dogs. I feel compelled to buy pepper spray! These are REAL PET PEEVES OF MINE and REAL SAFETY ISSUES. Other than that it's a great neighborhood. :-)</p>	Oct 6, 2009 8:51 PM
112	<p>As a new home owner and also friend of people who have lived in my area for a long time, I am worried about the contamination problem with the railroad. We have been advised not to use our well water, not to plant root vegetables, and also that many people in our area have been diagnosed with Cancer. I would like to see the city address this issue more aggressively and communicate their efforts with the affected homeowners and renters. I understand things are even worse on the other side of the tracks. What is the city doing, or what has it done, to ensure the safety of people living so close to the tracks?</p>	Oct 8, 2009 6:13 PM
113	<p>We need more businesses that are OPEN!  We need fewer ugly empty buildings!  We need a hardware store and a pharmacy!</p>	Oct 8, 2009 6:59 PM

Please explain your answer(s) for the above question (three areas you would like improvements in):		
114	<p>O: I have noticed a lot of speeding going on in those residential back streets. I believe there needs to be more enforcement with the speed limits because there are lots of children, animals, and cars throughout the neighborhood and when people blast down the street they endanger all of that.</p> <p>A: There should be sidewalks. It's kind of scary to have to walk on the side of the street and have no sidewalk.</p> <p>B: There is only one bus that goes through the back streets, and that is fine but I don't think the route is sufficient, or as frequent as it should be.</p>	Oct 12, 2009 8:06 PM
115	<p>Not enough open space is dedicated to parks in our area. I'm concerned about safety mainly because of the unsafe speeds of cars on our neighborhood streets.</p> <p>There are limited services nearby, so I'm forced to drive for these services.</p>	Oct 15, 2009 2:35 AM
116	I would like to get more involved with the people around me, as it is, river road is a pretty good divide for separating people. I love the maurie jacobs park, and walk my dog there nightly. It is a really nice park. My suggestions would be to include the dog poop bag stations and have recycling options. Also, the bums at the park after dark bother me.	Oct 18, 2009 1:46 AM
117	we have no sidewalks for safe walking...people need to slow down and move over for pedestrians, and they usually do not. river road is a nightmare to croos at knoop lane.	Oct 18, 2009 7:29 PM
118	<p>None of the traffic lights are timed to permit a regulated flow of traffic so you have either stops and starts or people racing to get through. A system such as Eugene uses for 6th and 7th Streets would benefit the residents of this community.</p> <p>Transient individuals feel that the river area and street corners where they panhandle are their areas to deposit trash and leave garbage. We have also experienced theft.</p>	Oct 19, 2009 12:02 AM
119	too soon to say because we just moved in new neighborhood over a month ago.	Oct 19, 2009 3:36 AM
120	The bike path along the river is in need of repair, Need safer pedestrain crossings, Need a local coffe house/bakery/ hangout spot	Oct 19, 2009 10:23 PM
121	I would like to see a median in the center of River Road and cross walks with signals to make it safer for crossing. I think this would greatly increase bike and pedestrian use. I would also like to see better grocery stores off River Road such as a Market of Choice. The noise pollution from the railroad yard in a big factor in not wanting to live in the area, as is the strong smell of creosote on hot days.	Oct 20, 2009 6:19 PM
122	<p>H. I would like to see new dev that honor the semi-rural nature here</p> <p>C. Co-ordinate the lights on river rd</p>	Oct 20, 2009 7:28 PM
123	<p>I hate seeing so many cheaply made apartments etc. jammed into every possible inch of land in this area. More thought and creativity should be used when designing new developments, designs that fit the neighborhood, creative old-fashioned type styles, not just boxes with no interest. It ruins the atmosphere.</p> <p>Way too much traffic on River Road, probably too late to change that, too many people. Was much nicer before the added lanes. I would hate to see a new overpass added.</p>	Oct 23, 2009 3:38 PM
124	I wish we could encourage property owners to maintain their properties in a better way than they currently do.	Oct 30, 2009 7:07 PM
125	Why can't there be a cart food on River Rd?	Nov 6, 2009 12:33 AM
126	<p>ugly development that doesn't match existing.</p> <p>Attempts to develop River front should be stopped.</p>	Nov 6, 2009 12:48 AM

Please explain your answer(s) for the above question (three areas you would like improvements in):		
127	People need affordable places to live, green spaces to thrive and connections with their neighbors to keep the community healthy and safe.	Nov 8, 2009 4:50 AM
128	This neighborhood is just like most other neighborhoods I've seen in Eugene. They all are drug ridden and have bad streets. Eugene is no place to raise a family. Since coming to Eugene my daughter has learned about sex, homo sexuality and drug use. She has also been forced by her school to speak spanish. This city greatly lacks moral standards. If anyone was to ask, I would strongly caution anyone from ever living in the Eugene/ Springfield area.	Nov 8, 2009 6:33 PM
129	conegestion that's all!	Nov 12, 2009 8:05 PM
130	Traffic Flow Not safe to cross River Rd. even in cross walks - Heavy traffic from 3-4pm every week evening	Nov 12, 2009 11:01 PM
131	There is not any alternative stores. 7-11 is my store and there is not that much of a community	Nov 17, 2009 5:39 PM
132	Park Avenue traffic is sometimes fast; bike lanes narrow and poorly lit. Bike path near River Road and riverfront (between Owasso Bridge and VRC) is poorly lit at night.	Nov 17, 2009 7:48 PM
133	There is no need right now for any changes.	Nov 17, 2009 8:11 PM
134	Access to a nice food market and restaurants would make river rd wonderful location to live.	Nov 17, 2009 11:32 PM
135	O: the schools are not good academically G: Would like more shopping choices and restaurants E. Only good park in the area is River Rd. Need More.	Nov 17, 2009 11:40 PM
136	Need more park land	Nov 18, 2009 5:01 PM
137	nothing	Nov 18, 2009 5:43 PM
138	A; Would like sidewalks on my street B; Would like if the buses on river road did not run late all the time C; Would like River Road to not be so crowded with traffic	Nov 18, 2009 7:01 PM
139	G. Nowhere within walking distance B. Side streets neglected C. Traffic near Grocery Outlet/Blockbuster difficult	Nov 18, 2009 8:10 PM
140	I'd like there to be more places to go in my neighborhood, more recreational. I'm hoping for more friendly people and for the income housing, if it isn't to be better.	Nov 18, 2009 8:15 PM
141	I am between Beltline and Chambers overpass. Businesses seem to come and go quickly-- wouldl like to see a little more planned development.	Nov 18, 2009 8:48 PM
142	L. a community park would be nice, neighborhood is an odd mini-development and disjointed	Nov 18, 2009 10:10 PM
143	Nothing--I would like it to stay the same. I love my neighborhood.	Nov 19, 2009 7:18 PM
144	Nothing--really don't want it to change.	Nov 19, 2009 8:03 PM
145	N. Drugs O. Education G. Health insurance	Nov 19, 2009 8:10 PM

Please explain your answer(s) for the above question (three areas you would like improvements in):		
146	<p>1. Stop lighth 2. more security for kids come out to school 3. more parking for the scholl</p> <p>I have a school across my house and them not have stop light so I thing is good and safe for this went they got out to the school the school name is Melly M. School</p>	Nov 19, 2009 10:32 PM
147	could use more street lights	Nov 19, 2009 10:44 PM
148	I really hate the traffic, its difficult to get to my bus stop in the morning. Sometimes I miss my bus becasuse I can't cross the street.	Nov 20, 2009 11:42 PM
149	<p>Our car got broken into while we were sleeping one night. The traffic is real bad 'round where I live. I want my little sister to have more places to play</p>	Nov 23, 2009 4:43 PM
150	I like to be outside and I would like to see another Park more suited for older people. I think there could be a lot of improvement.	Nov 23, 2009 5:14 PM
151	There isn't much to do in the area except the park and the bike path. While there is decent parking. There get to be cars on thte sides of the road sometimes and it can get annoying to maneuber around. There are businesses and convenience stores, but the selection of goods is rather small.	Nov 23, 2009 5:37 PM
152	<p>H: It has places that could be modified into parks or into something more. G: They have a very large seletion of shopping centers, churches, food outlets; but they are fairly far away. And the schools are fairly close by J: Any small buisness in this part of suburbia get choked out and can't get enough income to last more than one lease agreement</p>	Nov 23, 2009 5:50 PM
153	It would be nice to have more room for parking and to feel more safe for walking and recreation.	Nov 23, 2009 11:40 PM
154	River Road has tons of homeless people and is scary at night	Nov 24, 2009 12:21 AM
155	Nothing (for all three answers)	Nov 24, 2009 4:44 PM
156	G. would like a natural food stores & meat mark	Nov 24, 2009 5:38 PM
157	A.Streets, sidewalks, too small	Nov 24, 2009 5:54 PM
158	need speed 20 mp	Nov 24, 2009 5:59 PM
159	<p>Police availability Better street lights</p>	Nov 24, 2009 7:18 PM
160	<p>River Rd., particularly at Beltline is very congested.</p> <p>I , and all my neighbors, have had cars broken into.</p> <p>Businesses seem to sit vacant, so I'm assuming it's not the easiest place to operate a business.</p>	Nov 24, 2009 9:37 PM
161	<p>J. I'm concerned with the development changing the quality of the neighborhood with increased density; River Rd. has special ambience. O. Need to synchronize lights to conserve resources and have efficient car travel</p>	Nov 25, 2009 4:54 PM
162	This area of River Rd needs more sidewalks!	Nov 25, 2009 5:20 PM

Please explain your answer(s) for the above question (three areas you would like improvements in):		
163	I don't really see a need for any changes.	Nov 25, 2009 7:22 PM
164	We need a high quality grocery store. More busses on Horn Ln. Renovate the crappy looking older strip malls	Nov 25, 2009 7:24 PM
165	there is too much traffic on River Rd.	Nov 25, 2009 7:26 PM
166	C. We have a lot of congestion caused by traffic bacause of the elementary school. E. the only park close by is the elementary school playground and we should have more. K. I don't really like how it looks because when you get closer to River Road, it is a bunch of fast food restrurants.	Nov 25, 2009 7:27 PM
167	N. responding ignored. Police don't respond quickly to our neighborhood.	Nov 25, 2009 7:40 PM
168	F. More parks and open space--I want I want more places to congregate--llike the new corner market.	Nov 25, 2009 7:52 PM
169	better business access. it's more like a strip mall along River Road.	Nov 25, 2009 11:24 PM
170	K. junked cars on the street - Formac  corner of RR & Beltline entrance and exit ramps--areas get very trashy looking  Formac is a dead end street. Some of the people use it as their personal parking lot--cars w/expired tags & flat tiers. Could you do regular drives and ticket these cars? Thanks for mowing the field. No other complaints. Love the river, some homeless folks live in the woods but they don't bother me.	Dec 1, 2009 7:01 PM
171	the trains are very noisy, but not as loud as they used to be (they bang against each other-sounds and feels like an earthquake. Interferes with my t.v. reception. (I'm not on cable)	Dec 2, 2009 7:09 PM
172	I am scared to death my kids or myself getting hit by a car on the crosswalk crossing river rd. Nobody stops and there is no police enforcement, nor lights in close walking distance.  River rd has gridlock traffic.  It seems the bus should run later at night, and more often.	Dec 7, 2009 10:00 PM
173	H is all good now	Dec 11, 2009 6:44 PM
174	Even crosswalks are dangerous Almost hit several time by cars with people on cell phones	Dec 14, 2009 9:45 PM
175	B: More shuttle buses for the Fair, EMX come more often F: Skate Park - because nobody plays under the Washington/Jefferson bridge - needles in the sand We need more skate parks to keep kids out of trouble with the cops	Dec 15, 2009 9:37 PM
176	G. Residents in south River Road area need a real grocery store within reasonable walking/biking distance. E. This refers primarily to the riverbank bike trail system. B. Self-explanatory A. Too much speeding automotive traffic on residential streets	Dec 18, 2009 7:52 PM
177	Need grocery store, not porno shop! A Full City coffee shop within walking distance A SMALL hardware store (like Ace) walking distance	Dec 18, 2009 8:17 PM

Please explain your answer(s) for the above question (three areas you would like improvements in):		
178	River Road bisects our community, making safe river/greenway access dangerous. Also, there are very limited services, i.e. groceries close enough to walk or bike to. Let's have development compatible to what is here.	Dec 18, 2009 8:35 PM
179	1. Pedestrian lights to aid with crossing River Rd 2. Get more traffic from River Rd diverted on to Northwest Expressway 3. Improve bus services for school kids	Dec 18, 2009 8:41 PM
180	G. We need a grocery on south end of River Road A. Need more cross lights across River Rd for bikes and peds B. Restore bus route down Park Ave to Downtown	Dec 18, 2009 8:45 PM
181	E: There should be more open space, not less. H: This high-density housing push does not fit with the existing housing structure of this area. N: The tide of burglaries and break-ins needs to be addressed.	Dec 18, 2009 9:59 PM
182	Sidewalks for safe walking would make me feel more comfortable in my neighborhood.	Dec 18, 2009 10:40 PM
183	O: Infill always has too many homes for space--adds to congestion. E: Improve park at Lanson Lane and bike path - Do not add street between Formac Ave and Lanson. Add garbage can throw away trash!	Dec 18, 2009 10:53 PM
184	Traffic calming need on River Road! Improve the appearance of commercial strip! Get rid of billboards, plant flowers, more murals, etc. Need more essential services (groceries, hardware, bkery/coffee shop, etc) within walking distance.	Dec 19, 2009 12:20 AM
185	H/G organic veggies close by, inexpensive C-I can see nothing to do about the express traffic in River Road	Dec 20, 2009 11:38 PM
186	please clear brush at Formoe & Copping- Can't see people coming off bike path. Also, please make no parking on east side of Copping near Formac.  Lots of homeless people in park near end of Formac. Sometimes they hurt eachother, not sure what the solution is, patrols? More homeless housing?	Dec 21, 2009 6:56 PM
187	For years the City imposed urban designs--wide streets, fast moving traffic, curbs & sidewalks--onto our quiet semi-rural environemnt in the RR area. We need corrective improvement--e.g. slowing the River Rd freeway--and we need improved planning processes that appreciate the unique character of the neighborhood.  The gorilla in the living room not addressed by this survey is annexation. The City of Eugene is gradually annexing River Road and unfortunately for the residents it is being done on City terms. I don't wish to fight annexation--I believe it is inevitable. However we should be able to strike some terms such as grandfathering in property tax rates for seniors, or graduated increases over 10-20 years.	Dec 21, 2009 7:29 PM
188	D. Some streets can't accomodate emergency vehicles w/cars parked on boths sides of street. I. Need more affordable housing for young families not starter castles. G. Need mixed use center with a variety of shops and services	Dec 21, 2009 7:35 PM
189	I would like there to be more parks for all ages, better bus service, better access to super markets and stores	Jan 8, 2010 5:37 AM
190	1. To be a homeowner 2. To help my neighbors	Jan 8, 2010 5:39 AM

**Please explain your answer(s) for the above question (three areas you would like improvements in):**

191	I would like improved streets, traffic lights and trees because a lot of people don't take care of things and don't paint the traffic lights.	Jan 8, 2010 3:29 PM

1	Haven't seen one since I have moved in.	Aug 10, 2009 3:11 PM
2	Sometimes. Usually I'll scan it to see what the topic is.	Aug 16, 2009 9:31 AM
3	I've never heard of it	Aug 20, 2009 5:26 AM
4	I'm not aware of one.	Aug 21, 2009 6:13 AM
5	I don't attend because all they seem to want is money(which we don't have) and they care more about the unincorporated sections, and news letter is a total waste of paper and time not enough news.	Aug 21, 2009 4:00 PM
6	never knew about one	Aug 21, 2009 4:22 PM
7	I don't know that I receive one.	Aug 21, 2009 5:33 PM
8	I've attended only occasionally.	Sep 21, 2009 9:41 PM
9	I am uncertain if I have ever received one.	Sep 21, 2009 11:37 PM
10	Sometimes.	Sep 22, 2009 3:59 AM
11	haven't received one	Sep 24, 2009 10:56 PM
12	dont recall seeing one	Sep 28, 2009 5:39 PM
13	Sometimes, but always scan it to see what's being talked about.	Sep 28, 2009 6:04 PM
14	I have not received one.	Sep 29, 2009 6:19 AM
15	dont recieve one	Oct 2, 2009 1:49 PM
16	Have not seen one	Oct 2, 2009 9:30 PM

If no, why not?		
17	Haven't had time yet.	Oct 3, 2009 12:21 AM
18	Very few newsletters	Oct 3, 2009 3:46 AM
19	I didn't know there was one	Oct 5, 2009 6:46 PM
20	Not sure I've ever seen this	Oct 8, 2009 6:16 PM
21	It just says "to Current Resident", and usually that stuff is bogus so I just glance at it, looking for coupons, then I chuck it.	Oct 12, 2009 8:10 PM
22	never get one	Oct 16, 2009 9:07 PM
23	haven't got any	Oct 19, 2009 3:39 AM
24	I don't know	Nov 6, 2009 12:33 AM
25	What association	Nov 8, 2009 6:35 PM
26	have not received one, I don't think	Nov 12, 2009 8:06 PM
27	I do not see it since landlord recieves it.	Nov 17, 2009 11:35 PM
28	Boring	Nov 17, 2009 11:41 PM
29	none comes	Nov 18, 2009 5:02 PM
30	Not aware of one	Nov 18, 2009 8:10 PM
31	Because I don't know of one.	Nov 18, 2009 8:16 PM
32	we dont have an association	Nov 18, 2009 9:54 PM
33	Don't know	Nov 19, 2009 5:46 PM
34	what association newsletter	Nov 19, 2009 7:19 PM
35	?	Nov 19, 2009 8:03 PM
36	no much time.	Nov 19, 2009 10:45 PM
37	dont get one	Nov 20, 2009 4:52 PM
38	never got one	Nov 20, 2009 9:57 PM
39	because I don't care enough	Nov 20, 2009 11:25 PM
40	Don't know about it	Nov 23, 2009 4:43 PM
41	I didn't know we had one.	Nov 23, 2009 5:17 PM
42	Don't know of it.	Nov 23, 2009 5:37 PM
43	I don't have any worth while ideas to contribute, and old people scare me	Nov 23, 2009 5:52 PM
44	Never get one.	Nov 24, 2009 12:21 AM

		<b>answered question</b> 193
		<b>skipped question</b> 60

Please provide other information and suggestions in the space below:		
1	Does the neighborhood association really make a difference?	Aug 6, 2009 12:39 AM
2	Going to a meeting in the evening is about the last thing I want to do after juggling work and kids. I'd rather participate in activities related to the association; gatherings, the Tour de Coop, etc.	Aug 8, 2009 3:45 AM
3	Socializing with neighbors can be fun and productive. Opportunities for neighborhood beautification and socializing would be great.	Aug 10, 2009 3:11 PM
4	The dates do not fit with my schedule and I am not sure how a change would improve my ability to attend.	Aug 13, 2009 5:07 AM
5	At this time I have limited availability to participate. I keep in touch and strongly appreciate the volunteers who are active in the RRCO.	Aug 13, 2009 5:41 AM
6	I am a senior citizen raising a teenaged boy, so his needs come first. The current meeting time conflicts with his Boy Scout meeting (Monday nights).	Aug 13, 2009 2:00 PM
7	Currently I do not have time to invest in meetings, though I am in contact with one of the organizers.	Aug 13, 2009 2:23 PM
8	infill standards close to my home	Aug 13, 2009 2:40 PM
9	i attend the meetings so the questions above do not apply to me	Aug 13, 2009 4:49 PM
10	Neighborhood watch groups; preventing home break-ins and other theft and vandalism incidents.	Aug 13, 2009 5:08 PM
11	As I am already on the Board, many of the items don't really apply. But, I do participate because it does give me the opportunity to educate myself about neighborhood issues and learn what can be done about them. I also enjoy the social contact with neighbors.	Aug 13, 2009 5:27 PM
12	I like to be involved in my neighborhood but without it becoming too many hours. I wish there were more short-term, simple ways I could contribute.	Aug 13, 2009 5:28 PM
13	Perhaps an electronic format for some neighborhood association discussions?	Aug 13, 2009 9:55 PM
14	Im embarrassed to say that I havent been involved out of sheer laziness. I feel bad about it. I like getting the information. The day/times you have been choosing are very convenient.	Aug 14, 2009 2:10 AM
15	I will have to think about this . . .	Aug 14, 2009 3:09 AM
16	I am not highly involved, but I had many meetings at my home, and helped to get Friends of Rosetta Park off the ground. I have enjoyed this much participation but it is enough for me.	Aug 14, 2009 2:28 PM
17	meet at the park	Aug 15, 2009 4:20 AM

Please provide other information and suggestions in the space below:		
18	i have attended meetings. i do still sometimes attend meetings. i guess i feel that for all the talk, nothing changes.	Aug 15, 2009 7:26 PM
19	Many times residents try to voice their opinions and concerns and it seems that they fall on deaf ears. It would be nice to know that what we do can make a difference...such as the ongoing fight to save the farms and prevent companies like Eugene Sand and Gravel from coming in and destroying them. My direct neighbors tried to prevent Parnell from becoming a through street. We lost that battle and never had a chance even though we all chipped in and hired a lawyer. Has it helped to have that street opened? I don't think so. We have a lot more traffic, at least four pets were killed on Betty Lane which connects to Parnell. Increased traffic means more wear on Golden which is a privately owned street. When it gets holes in it will the city or county help pay for repairs since they forced us to open the street? I don't think so.	Aug 16, 2009 9:31 AM
20	I've just been lazy. I am hoping for personal improvement in this area.	Aug 16, 2009 3:29 PM
21	I think I'd get involved provided the meeting were held when I wasn't doing child care for grandbabies. If I thought that I could had an influence on not my neighborhood but the people that decide to fix things, (The City) then I think I would attend and participate.	Aug 17, 2009 2:33 AM
22	I have volunteered with the Stream Team at Diana Kelly Pond, but do to work and caring for my mother and children, I need to limit my involmment at this time.	Aug 17, 2009 2:45 PM
23	Need to see some results from all the meetings and surveys and talking. The processes are very redundant. It's discouraging to be involved if there are no positive outcomes.	Aug 18, 2009 5:22 PM
24	Bus service	Aug 20, 2009 5:26 AM
25	more meetings, and want to find out how to petition to have the greenspace turned into a field.	Aug 20, 2009 8:12 PM
26	Are there elders in my neighborhood that could use a hand once in a while.	Aug 21, 2009 6:13 AM
27	I'm not sure folks know how to go about influencing decisions in their neighborhood.	Aug 25, 2009 7:14 PM
28	I have served on the RRCO board. The City of Eugene puts a great deal of energy into 'listening', but has not been responsive to our requests. I have lost hope that my involvement made even the slightest difference.	Sep 2, 2009 5:19 PM
29	Neighborhood gardening; sustainable living; new development decisions; zoning decisions	Sep 2, 2009 7:28 PM
30	having participated in associations, i understand that things get done by the small groups of people who attend meetings and that they attend primarily to advance their own agendas. but the pace is so slow and the layers of bureaucracy so deep that nothing ever seems to change. i have heard the concept of nodal development, a worthy goal, for the last 30 years, but have yet to see us move even slightly in that direction.	Sep 2, 2009 8:52 PM
31	I already attend and participate.	Sep 3, 2009 5:23 PM
32	I'm caregiver to elderly, alzheimers patient. going to meetings is difficult. opportunities to volunteer out of the home would make it more possible.	Sep 5, 2009 4:23 AM
33	better notoce about meetings and agenda	Sep 7, 2009 5:13 PM
34	Monday night conflicts with many other things, including council meetings.	Sep 11, 2009 10:00 PM
35	Advance information about meeting topics as well as alternate ways to participate (like on Facebook, or other electronic formats) would be appreciated.	Sep 14, 2009 11:48 PM
36	Often for me, it's a scheduling issue. If there were an opportunity to complete and return a survey, I would be more likely to provide feedback. Also, childcare and knowing others who are involved would be very helpful. Plus, every neighborhood association I have yet encountered has been very closed-minded and elitist. I don't want to make the effort to be involved only to be made to feel that I'm not welcome or that my ideas and concerns don't matter.	Sep 15, 2009 6:07 PM

Please provide other information and suggestions in the space below:		
37	I'm busy. I don't need another meeting to go to. Surverys to solicit my opinion would be well received and I would return them.	Sep 17, 2009 8:45 PM
38	Time conflicts with other important community support services to actively participate at many of the meetings at this time.	Sep 18, 2009 3:18 PM
39	I am the co-chair- can't get more involved unless someone pays me and I quit my day job ;)	Sep 19, 2009 1:49 AM
40	Due to a young child, meetings and adult activities are not possible for me.  I also do not feel that any of the input solicited concerning the River Road improvements are meaningful.  Specifically, the road resurfacing project currently going on was an excellent opportunity to address the traffic speed and pedestrian safety issues. Instead, we now have nicely resurfaced roads that can be driven on even faster!	Sep 21, 2009 5:59 PM
41	The topics are rarely of interest to me as outlined above. I don't seem to have any abliity to influence outcome of situations. They are brought to us after the fact. Online participation would be good instead of attending meetings that are not always convenient.	Sep 21, 2009 6:00 PM
42	The days the organization meets are in conflict with other commitments I have	Sep 21, 2009 6:27 PM
43	Honestly I am not sure-- I always read the newsletter, and want to come to meetings, then can't squeeze it in to our family life schedule. Maybe it would be easier for me to come to a day time meeting...	Sep 21, 2009 7:01 PM
44	I enjoy being involved. I wish Andrea Ortiz would ave some town hall meetings regarding the previously mentioned items.	Sep 21, 2009 8:43 PM
45	Mondays can be a problem for me.	Sep 22, 2009 12:40 AM
46	It seems like it is all talk and then the city just does what it wants anyway.	Sep 22, 2009 1:15 AM
47	I am so busy as a teacher, parent and church member it is hard to carve out the time, even though I think community involvement is key.	Sep 22, 2009 4:47 AM
48	I just need to make the time! I have participated (approx for 1 year) in the past.	Sep 22, 2009 4:52 AM
49	A way to participate without going to meetings.	Sep 23, 2009 6:24 PM
50	Monday evenings are difficult in my family. I don't know any of the regular participants. When I have gone, it has definitely seemed like an 'old boys' club. The same people come to complain with their same complaints over and over. It's an annoying way to spend an evening.	Sep 23, 2009 11:43 PM
51	I am tired of having the same old topics/ and left wing topics and influences being talked about and promoted at every meeting. Invite people of conservative points of view and conservative views. Online participation for people to use if they are not available to attend.	Sep 24, 2009 8:11 AM
52	We have actually been working on adjusting our schedules so that we can attend meetings. Email updates, surveys, etc. would also be a big help to both stay informed and to provide citizen input.	Sep 24, 2009 8:38 PM
53	My schedule is just full. Don't change a time that works on my account.  Personal invitations to get involved work really well. Also, knowing there will be others children at events would encourage me to attend.	Sep 25, 2009 4:26 AM
54	It would be scary to be involved with my neighbors in such a way. If they disagreed with me I would fear for what they might/would do in retaliation. Many people here are not rational or logical people and so me and my family try to not cross paths as much as possible with many others around here. It is unfortunate.	Sep 28, 2009 5:39 PM

Please provide other information and suggestions in the space below:		
55	I think our association does a good job addressing issues of sustainability, but most of the meetings I have noticed of late are around topics I'm not particularly excited about. It's not that they're not important topics, I just work A LOT and can't take the time to attend meetings that aren't pertinent to my life or work. For instance, I would like a farmers' market or other type of market on the south side of River Rd. I moved from downtown and liked that I could walk or bike easily to where I shopped, but now I have to drive all the time, which I don't enjoy.	Sep 28, 2009 10:06 PM
56	I really appreciate our River Road Community Organization. I try to go when I can, & help out where I can. I'm just super busy, but I think they're doing a great job. Neighborhood watch group next month will be exciting!!	Sep 29, 2009 4:57 PM
57	Have never had a "association" to be involved with before. i have never even heard of one in our area. besides do these associations acctually get the city to do any thing??? more than likely they are just sounding board because someone has not trimmed the shrubs.	Oct 2, 2009 1:49 PM
58	Developing neighborhood-level economics (i.e. growing food within the neighborhood, etc), addressing peak oil and economic collapse.	Oct 3, 2009 12:21 AM
59	Seeing results "on the ground" (River Road improvements, development and services, etc), and in City Code, policies and land use decisions.	Oct 3, 2009 3:46 AM
60	We are as involved as we wish to be.	Oct 4, 2009 12:12 PM
61	"It seems that we discuss the same things over and over.	Oct 5, 2009 11:33 PM
62	If I had time, I would. Currently the meetings conflict with my daughter's ice skating class.	Oct 6, 2009 8:54 PM
63	I'd like to see a neighborhood focus on the railroad contamination issue and also take part in web type meetings -- chats, focus groups etc. Things that don't necessarily need to be done in person at a specific time.	Oct 8, 2009 6:16 PM
64	Wish we had a newsletter! Need better meeting leadership skills!	Oct 8, 2009 7:01 PM
65	The RRCO has done a lot of work to recommend changes, but the city seems to block any activity from coming to fruition. They city needs to recognize and act on the volunteer work already done by RRCO.	Oct 15, 2009 2:40 AM
66	i work swing..and weekends.. voting by mail would work for me.	Oct 18, 2009 7:31 PM
67	emergency preparedness training, American Sign Language (ASL)	Oct 19, 2009 3:39 AM
68	I work in the evenings when the meetings are usually held. Would like to send in written opinions and suggestions - possibly on the internet (like this survey)	Oct 20, 2009 6:23 PM
69	I have very little free time right now	Oct 30, 2009 7:08 PM
70	More time in the day.	Nov 8, 2009 5:08 AM
71	I regret ever comming to the Eugene area. I will be moving my family as far away as possible as soon as possible.	Nov 8, 2009 6:35 PM
72	Don't have the extra time	Nov 12, 2009 11:01 PM
73	I work at NEHS -- would be good to have school community and neighborhood association cooperate and collaborate.	Nov 17, 2009 7:48 PM
74	topics; greening, accessability	Nov 18, 2009 7:02 PM
75	topics: housing/living/education	Nov 18, 2009 8:16 PM
76	At this time unable to participate. Expect to retire in 6 years.	Nov 18, 2009 8:49 PM

Please provide other information and suggestions in the space below:

<b>answered question</b>			<b>179</b>
<b>skipped question</b>			<b>74</b>

Please provide other information and suggestions in the space below:		
1	I'm not sure if it makes a difference having a neighborhood association.	Aug 6, 2009 12:39 AM
2	Community gardens? These may already exist, but I am unaware of them.	Aug 10, 2009 3:11 PM
3	The whole infill problem creates fractured neighborhood structure	Aug 13, 2009 5:07 AM
4	Inform about proposed Valley River bridge project so I can oppose it. Neighborhood projects to improve parks. We need representation with the City to help protect the River Rd community from poor planning policies.	Aug 13, 2009 5:41 AM
5	Traffic, potential River Road bridge, public safety.	Aug 13, 2009 2:00 PM
6	more gardening, backyard poultry, and residential tours.	Aug 13, 2009 2:23 PM
7	community garden? cut down on woodstove pollution in the neighborhood.	Aug 13, 2009 2:40 PM
8	I think our RRCO does a great job!	Aug 13, 2009 2:48 PM
9	Stop any construction of new bridge to valley river center! It's a bad idea, not necessary and encourages car use while discouraging biking and walking	Aug 13, 2009 5:08 PM
10	Regular meetings with educational forums, River Road Rocks! and river clean up events, announcements of times for public testimony and public comment on issues that affect the neighborhood or the larger community, newsletters, websites, and e-mail alerts.	Aug 13, 2009 5:27 PM
11	Our community organization does an excellent job representing neighborhood interests. More focus on this than on sponsoring social activities.	Aug 13, 2009 5:28 PM
12	RRCO does all of these quite well	Aug 13, 2009 7:22 PM
13	particularly long-range City planning goals for the neighborhood.	Aug 13, 2009 7:55 PM
14	I think the River Road Assoc. is already doing an excellent job in these areas.	Aug 14, 2009 2:28 PM
15	actually my neighborhood association is very active is all this categories because jan spencer is dedicated and devoted to change.	Aug 15, 2009 7:26 PM
16	If neighbors don't know what issues are being addressed why would they attend.	Aug 17, 2009 2:33 AM
17	I think our association is doing a good job of all of the above.	Aug 17, 2009 2:45 PM
18	no suggestions	Aug 17, 2009 2:59 PM
19	We feel we have to be diligent to protect the quality of life ion our neighborhood, and the neighborhood association is the eyes and ears that can folks informed and ready to respond when necessary.	Aug 18, 2009 5:22 PM
20	Possible topics include gardening (flower and vegetable), safety issues (neighborhood watch)	Aug 19, 2009 8:12 PM
21	Bus placements	Aug 20, 2009 5:26 AM
22	parks, safety of neighborhood.	Aug 20, 2009 8:12 PM
23	Check to see that elders have what they need in winter and summer months with regard to heating and air conditioning.	Aug 21, 2009 6:13 AM
24	block parties, neighborhood garage sales, neighborhood clean up, helping neighbors in need	Aug 21, 2009 3:58 PM
25	An association should have decision-making power to affect governmental procedure in the neighborhood.	Aug 21, 2009 5:33 PM
26	let neighbors know about safety issues and concerns. Maybe do a river clean up or similar neighborhood project to beautify the area.	Aug 21, 2009 11:04 PM
27	Safety. Neighborhood watch?	Aug 27, 2009 1:56 AM

Please provide other information and suggestions in the space below:		
28	I think the neighborhood ass. is a good way to create coherence through positive group goals	Sep 2, 2009 4:02 PM
29	Many good people have worked and continue to work to improve our neighborhood. Unfortunately the City of Eugene and 4J School District pursue self serving policy directions regardless of River Road interests. The most current example of this came as a notice on the day you recently painted our street, informing me that the City Engineering Dept is amping up their drive to install curbs and storm water infrastructure at my detriment (financially as well as furthering the McNeighborhood movement). What part of 'no, thank you', do you not understand?	Sep 2, 2009 5:19 PM
30	our neighborhood association does a good job in each of these areas. i think it is largely because jan spencer tirelessly dedicates himself to this pursuit and truly wants to see something better. he is generous enough to hope that for all of us.	Sep 2, 2009 8:52 PM
31	Greenway enhancement projects. The RRCO does a great job already with many of these topics.	Sep 3, 2009 5:23 PM
32	I think this neighborhood is very active and doing things well. I can't think of anything right now.	Sep 4, 2009 4:18 PM
33	Workshops on water catchment, reducing pesticide use. Group buy of water barrels, compost bins. Bicycle and garden tool exchanges/give aways Cat spay and neuter clinics to reduce feral cat population. Surplus produce trading stations.... Yard beautification	Sep 7, 2009 5:13 PM
34	and I would like the association not to represent the narrow interests of just those who attend meetings	Sep 11, 2009 10:00 PM
35	I would say that our organization has done all of these things. Some examples are things like permaculture tours of the neighborhood, events at Emerald park, and organizing about some of the development and infill happening in the neighborhood.	Sep 14, 2009 11:48 PM
36	Topics: proposed development, legislative changes, etc. Social activities: Holiday events with an attitude of religious tolerance, Seasonal events (picnics), Parent/child play dates, pick-up casual sporting games for a variety of ability levels (bocce ball, soccer, croquet) Educational workshops: fire extinguisher training, bike safety, other neighborhood safety trainings, gardening/landscaping tips Neighborhood projects: community garden planning, food/clothing drives, emergency planning, school supply drives Neighborhood issues: sidewalks, sidewalk safety, bike safety, neighborhood safety, proposed development, proposed legislative changes	Sep 15, 2009 6:07 PM
37	I don't know how much an association is really going to help our neighborhood. Traffic, drugs, dump houses and rentals, crime...these things are slowly (or not so slowly) eroding our community.	Sep 17, 2009 8:45 PM
38	Too numerous to count!	Sep 19, 2009 1:49 AM
39	Our sub-urban neighborhood resists organization (I've tried). But they do like to party...	Sep 21, 2009 5:59 PM
40	River Road Park and Rec provides a day annually to discuss and participate in community events. More of these would be good. River Road Park and Rec is the single best resource and facility for this area in my opinion.	Sep 21, 2009 6:00 PM
41	Doing all the things it is doing as far as I can tell. Thanks!	Sep 21, 2009 7:01 PM
42	Continue info. on EmX and traffic lights on RR	Sep 21, 2009 9:41 PM
43	It would be nice if there were neighborhood block parties, or something of that ilk, just to get to know some of the people that live within a couple of blocks of me.	Sep 21, 2009 11:37 PM
44	They do a great job.	Sep 22, 2009 12:40 AM

Please provide other information and suggestions in the space below:		
45	Block parties to get to know neighbors would be nice.	Sep 22, 2009 12:49 AM
46	already explained	Sep 22, 2009 1:15 AM
47	gather residents' opinions on River Rd. crossings/crosswalks and where new crossings should be constructed.	Sep 22, 2009 4:52 AM
48	I would like to suggest that the crosswalks in the middle of the stoplights need some kind of blinking lights. I have seen to many times that people are crossing and can't be seen. Something needs to be done to get your attention that someone is crossing.	Sep 22, 2009 3:52 PM
49	Represent neighborhood interests if the interests have been defined by a wide cross section of neighbors.	Sep 23, 2009 6:24 PM
50	Computer workshop information. Inform neighbors about both all party political persuasion instead of only influencing the liberal topics and only inviting liberal people to the meetings and influencing only liberal topics.	Sep 24, 2009 8:11 AM
51	Those all sound great.  I love the Satin Love Orchestra concerts and the many other events that happen at the park/building. Thank you, thank you.  I like gardening. I could use a running buddy.	Sep 25, 2009 4:26 AM
52	The aforementioned farmers' market would be good - not an easy task, but one that could be undertaken without too much hubub and which would greatly benefit the area.	Sep 28, 2009 10:06 PM
53	I feel our association does a good job in all these areas. Whoever organizes the care and renovation of Razor Park offers a good service. I would like to help with this in the future.	Sep 29, 2009 3:20 PM
54	Nieghorhood Watch, river/ bike path clean up., potlucks- "Meet your neighbors" in Cadojen Park, (Or Razor, or Rosetta),.....talk about specific needs in your neighborhood, & see how everyone can work together to solve the problems,...Phone tree..	Sep 29, 2009 4:57 PM
55	Crime watch. Work to make neighborhood part of the City of Eugene.	Oct 2, 2009 9:30 PM
56	Expand community gardens, encourage the opening of a local organic grocery, expand bus service.	Oct 3, 2009 12:21 AM
57	River area clean-ups need better advertising	Oct 4, 2009 12:12 PM
58	Communities that are connected, informed, educated, and powerful are great!	Oct 5, 2009 6:46 PM
59	Block parties or other events that bring people together	Oct 5, 2009 10:28 PM
60	I feel that the city has already made decisions about what is going to happe here which are to our detriment and are not open to anything else. For ex letting a developer who wanted density to do that and cut down me oaks, the very thing that makes the neighborhood beautiful.	Oct 5, 2009 11:33 PM
61	Maybe a clean-up -- help folks who are unable to adequately maintain their own living spaces -- yard/trash hauling, fix-it projects -- and of course railroad issues	Oct 8, 2009 6:16 PM
62	Things like, someone who just moved in, whether they are a sexual predator. Or the amount of cars racing down the streets and making sure the kids know better.	Oct 12, 2009 8:10 PM
63	I would encourage projects to clean up our drainage areas or clean up other natural areas. Need to organize neighbors to help develop a refinement plan for River Road, to protect our neighborhood character.	Oct 15, 2009 2:40 AM
64	emergency preparedness	Oct 19, 2009 3:39 AM

Please provide other information and suggestions in the space below:		
65	potlucks, gardening, local garden club, share tools	Oct 19, 2009 10:24 PM
66	I think we need to work on issues that improve the health and safety of our community. We need to emergency preparedness action plans. We need to develop community gardens and food preservation centers. We need to protect the greenway and our urban greenspaces by developing smart, small, low impact structures. We need to walk and bike, and stop driving. We need to connect with our neighbors and make sure they have what they need.	Nov 8, 2009 5:08 AM
67	Grow some moral and ethical stanards.	Nov 8, 2009 6:35 PM
68	social activities: spcial BBQ's workshops: teaching kids to garden and recycle	Nov 12, 2009 8:06 PM
69	Block parties, reading groups (book clubs)	Nov 17, 2009 7:48 PM
70	inform: safety	Nov 17, 2009 8:11 PM
