

## Trainsong Neighbors: 2009 Eugene Neighborhood Survey Results

More than 4,600 community members responded to the recent Eugene Neighborhood Survey, providing useful information about what they like in their neighborhoods and what they would like to improve. Conducted during the summer and fall of 2009, the survey was developed in partnership with neighborhood leaders and the UO's Community Planning Workshop. Neighborhood associations, as well as City staff and other community groups, distributed the survey with a special emphasis on reaching people who have not participated in neighborhood associations and underrepresented groups. These efforts paid off, as results indicate that survey responses are a good representation of the city population in terms of age, income, race/ethnicity, gender, and home ownership.

Responses for Trainsong Neighbors NA were 127, about 7.1% of the neighborhood's total population. Respondents were 44% renters and 51% homeowners. Sixty-four percent of respondents' household income was less than \$30,000 and 31% between \$30,000-60,000. The race/ethnicity breakdown of respondents is as follows: 73% White, 8.3% Latino/Hispanic, 7.3% American Indian/Alaskan Native, 5.5% Multi-racial, 1% Black/African American, 1% Native Hawaiian or Pacific Islander, and 3.7% Other. The respondent age was predominately 25-64 years old (77%), with 14% ages 17-24 and 8.8% 65 or over. For planning and outreach purposes, the Trainsong Neighborhood Analysis should be consulted to compare actual demographic make up to the demographic make-up of the survey respondents. Gaps may exist.

Just over half (52 percent) of respondents had not participated in their neighborhood association, but 47 percent expressed an interest in being connected. Survey data should be consulted for information on what would encourage respondents to be more involved and what respondents view as the neighborhood association's primary role.

Overall, Trainsong Neighbors results show that respondents have mixed views of the quality of life in the Trainsong neighborhood. When asked about what they would like to improve in Trainsong, safety and neighborhood appearance were the most frequent responses, followed by biking and walking and access to services.

Neighborhood surveys are considered a best practice in neighborhood planning initiatives. The survey provides a wealth of information for neighborhood associations and the City of Eugene, as we work to increase involvement and participation in neighborhood associations and improve neighborhood livability. The full results of the Eugene Neighborhood Survey are posted online at <http://www.eugene-or.gov/neighborhoodsurvey> including neighborhood-specific reports. 1	my neighborhood has a high crime rate that is somewhat accepted by many. we are boxed in without adequate bus service no access to good food choices	Aug 10, 2009 4:01 AM
2	Bell street is no more than an alley, Need to make it wider. Need to enforce the city yard clutter laws, and if there is none there should be. I know there working to make this area safer. My immediate neighbors are great, but we are just a small pocket here	Aug 30, 2009 8:30 PM
3	My neighborhood needs a park or parks that aren't just used by drug dealers. I need a nice place to walk my dog and maybe go jogging. Secondly, I don't know any of my neighbors. I discovered after the fact that two of them happened to be the men who were hijacking women and taking them to ATMs to withdraw cash a few months ago. I also heard that another neighbor kills stray cats, and might kill mine if he ever catches them. Third, I do not feel comfortable riding my bike after dark for fear of getting hit by a speeding car on Bethel, or hitting a pothole and my tire exploding which has happened twice.	Sep 18, 2009 9:54 PM
4	Drug dealing, menacing behaviors, beatings	Sep 23, 2009 7:00 PM
5	Need better bike access to River Road through Rail Yards. Need grocery store within walking distance. Need better resources to deal with tweaker neighbors.	Sep 23, 2009 7:06 PM
6	#1 Bus - We need safe access to bus on Bethel Drive, a connection to the area schools and services. #2 Bus services to shopping - or build retail services on the railyard #3 Again Services ie (g) the closer they are would increase walking and biking	Sep 24, 2009 4:54 PM
7	more bike lanes and sidewalks	Sep 24, 2009 9:08 PM
8	Bell Avenue clean-up project is a MUST! Houses, street-widening, everything!!	Sep 24, 2009 9:20 PM
9	Keep park clean and safe, expand Bethel sidewalk to 99. A little more safety for biking and walking. It is not a good place to operate a business right now	Sep 24, 2009 9:25 PM
10	N- Look at the crime stats compared to other Eugene neighborhoods... there are meth houses, there have been stabbings and shootings... G- The neighborhood is completely isolated from everything!! There are no services anywhere near. A yucky convenience store is the only grocery within miles!!! Kids have to cross Hwy 99 or the Rail Road tracks to get to school.... the list goes on... A- Folks in this neighborhood bike and walk out of necessity and their biking and walking infrastructure is the WORST in Eugene!!! Why didn't the City add bikelanes and sidewalks in this low-income neighborhood instead of redoing the South Eugene bike path, which was completely unnecessary (but in an affluent area of town)!	Oct 1, 2009 6:52 PM
11	Many break ins in my neighborhood recently. Properties either look well kept or completely neglected. Potholes in roads.	Oct 15, 2009 2:02 PM

Please explain your answer(s) for the above question (three areas you would like improvements in):		
12	High crime rate.	Oct 15, 2009 4:05 PM
13	Street conditions are terrible.	Oct 15, 2009 7:38 PM
14	I'd like to feel safe sending my kids to the park without adult supervision. I'd like the neighborhood to be cleaner. Less trash in yards. I'd like my neighborhood to have quiet, well-behaved dogs. Dog excrement picked up. I'd like my neighbors to clean up the dog crap and mosquito breeding water in their backyards. I'd also like them not to have so many domestic disturbances -- yelling and cussing at each other.	Oct 15, 2009 11:11 PM
15	There are drugs & prostitutes, police have to come into the neighborhood to chase suspects and investigate shootings. I do not feel safe here. There are 5 kids in our household ages 2-13, and I would not let any of them walk anywhere outside of our property without adult supervision. The roads are crappy, and have only been fixed in spots. The one thing I like is that I have not had anyone come onto my property or steal anything, but I wouldn't be suprised if either one happened. I think there is a lot of potential, but it has years of work to get the crap out of here, so the neighborhood would attract all income levels, not only low income.	Oct 16, 2009 5:17 AM
16	H. Home owners are being pushed out by rental slum landlords that do not take care of their property; or larger rental complexes that cater to lower rentals and build multi complex apartments.  G. Only stores in area are mini marts.	Oct 17, 2009 6:33 PM
17	well we live off barger so you can see how there is alot of traffic. and since we have alot of traffic we can not park on the street. and our neighborhood is kind of new itself but we still need a new better park with swings.	Oct 18, 2009 5:32 PM
18	There is a constant flow of bums and drug addicts in this neighborhood.I don't feel safe at all.I constantly have people in my yard digging in my recycle container.Also there are no garbage cans at the bus stops so people tend to just throw their trash on the ground.	Oct 20, 2009 5:04 AM
19	Need x-walk @ corner of Bethal and Roosevelt to bus stop across street	Nov 13, 2009 8:29 PM
20	Potholes make getting around on bikes in our neighborhood an adventure in mountain biking, but dangerous.  Kids need activities in this neighborhood.  The park is getting better, but continual attention to decreasing drug dealing and more activities for everyone in the park would help.	Nov 16, 2009 5:10 AM
21	I have taken the bus before and it dropped me off way further from my house than usual and I would like that to be fixed. I really don't like all the new development, all the cutting down of so many trees. I would like to get to know more people in my niehborhood.	Nov 25, 2009 7:49 PM
22	a. it's not easy to bike in the neighborhood e. the more open spaces, the better k. parts of trainsong need to be cleaned up	Nov 30, 2009 2:35 AM
23	Pershing has a traffic issue - speeding. We have complained to any who will listen, including EPD	Nov 30, 2009 2:42 AM
24	We need child [at] play signs on Pershing St. to slow down oncoming Police vehicles and others. Make it safer for children to play day and night (I've encountered a few attempted robberies in the neighborhood)	Nov 30, 2009 2:50 AM

27	homeless area's with water and restrooms	Nov 30, 2009 3:57 AM
28	homeless area's with water and restrooms	Nov 30, 2009 4:04 AM
29	The Electric company Beacon needs to improve the property they took over from the state or city with out a public hearing that affects Lassen Street. The drug dealers the police have no time to investigate or even care about they just tell us they can't do anything about it, again if this was a richer area they would be right over. Because of the drugs and crime this area is very unsafe and if I could sell my home I would and move to a safer area. But because of that report of the railroad being polluted my property is worthless to what I owe. Thank you, and also why isn't the railroad doing any clean up?????? There are many other reasons but we have become forgotten.	Dec 2, 2009 9:28 PM
30	job skills with training affordable housing for low income	Dec 9, 2009 9:42 PM

38	I honestly love vling in my home, the only reason I would want to leave is because of drugs, violence, theft & drug users. That is what I feel about the park too. I just feel if there was more securituy I would feel better the park has helped to bring neighbors together & has gotten better in its appearance & recreation. I just want to feel safer.
