

Project Information Sheet

Delta Ponds Pedestrian Bridge Maintenance

Project Overview:

- Work will occur on the Delta Ponds Pedestrian Bridge over Delta Highway.
- The bridge bearings on the east side of the bridge will be replaced.
- Other maintenance tasks such as repairs to protective fencing and concrete deck crack sealing will be performed in conjunction with this work.

Construction Schedule:

- This project is expected to begin construction in late June and finish in August 2019.
- Legacy Contracting has been hired for this work.

Traffic Impacts:

- On street parking may be restricted to accommodate construction activities.
- Pedestrians and bicyclists should expect narrowed lanes and to share the space with each other.
- Bicyclists and pedestrians should expect mid-day closures of the bridge for 3 to 4 days during concrete deck sealing.
- With any construction, bicyclists and pedestrians should expect to encounter equipment and workers in the pathway and delays during the work.

Project Funding:

- The major source of funding is the Road Fund.

For More Information:

- Project Manager: Eben Babb, phone 541-682-5222, eben.m.babb@ci.eugene.or.us.
- Online road reports (during construction) at www.eugene-or.gov/traffic.
- On Twitter (during construction) at www.Twitter.com/EugenePW.
