

# Project Information Sheet

## Fair Oaks Drive, Bedford Way, Lariat Drive Pavement Preservation

### Project Overview:

- Work will occur on:
  - Lariat Drive, Lariat Meadows, and Lariat Mesa.
  - Fair Oaks Dr. and adjacent cul-de-sacs from Fairway Loop to Oakway Road.
  - Bedford Way from Fair Oaks Dr. to Oakway Road.
  -
- These streets have deteriorated pavement due to age and traffic loading and need to be repaved.
- Work will also include reconstructing sidewalk access ramps along Oakway Rd. in order to comply with the Americans with Disabilities Act.
- This project is primarily intended to repair the street pavement, but additional work will be done to expand the storm sewer on Lariat Dr. to improve area drainage.

### Construction Schedule:

- This project is scheduled to begin in late June and continue into September, 2019.
- Wildish Construction Company has been hired for this work.

### Traffic Impacts:

- Drivers should expect lane closures and lane shifts during construction.
- On street parking may be restricted to accommodate construction activities.
- Pedestrians should expect sidewalk detours during the sidewalk ramp work at the intersections.
- Bicyclists should expect to merge with motor vehicle traffic depending on available lane widths during construction.
- With any construction, drivers should expect equipment and workers in the roadway leading to congestion and delays during the work.

### Project Funding:

- The major source of funding is the 2017 Street Preservation Bond.

### For More Information:

- Project Manager: Ryan Essler, phone 541-520-9893, [ressler@eugene-or.gov](mailto:ressler@eugene-or.gov).
