### **ISSUE STATEMENT**

Council approval of the second Supplemental Budget for Fiscal Year 2018-2019 (FY19) is requested. Oregon Local Budget Law (ORS 294.471) allows for supplemental budgets in the event of “an occurrence or condition that is not ascertained when preparing the original budget or a previous supplemental budget for the current year or current budget period and that requires a change in financial planning.” ORS 294.471 also allows for a supplemental budget if there are “funds that are made available by another unit of federal, state or local government and the availability of which could not reasonably be foreseen when preparing the original budget.” This Supplemental Budget does not authorize any increase in the property tax levy and has been published in compliance with the Oregon Local Budget Law.

### **BACKGROUND**

This Supplemental Budget recognizes new revenues and authorizes changes in legal levels of appropriations for the current fiscal year (FY19). A summary of items included in this Supplemental Budget is presented below:

#### ***General Fund***

- Recognize \$247,680 in additional Charges for Services revenue related to State conflagration fire responses and increase the Fire and Emergency Medical Services Department operating appropriation by same amount.
- The Medic 10 Advance Life Support ambulance medic unit was initially funded with one-time funds for an 18-month period. This supplemental budget request is a one-time transfer of \$282,100 from the General Fund’s Reserve for Revenue Shortfall to the Ambulance Transport Fund to provide funding for eight recruits for this unit. The department anticipates that ongoing salary and employee expenses associated with the additional personnel will be offset by lower overtime rates. Medic 10 is not included in the Community Safety Initiative bridge or ongoing funding.

### ***Transportation Capital Projects Fund***

- Recognize Intergovernmental revenue in the amount of \$750,246 for Safe Routes to School grant and increase Capital Projects appropriations by the same amount.

### ***Stormwater Utility Fund***

- Increase Capital Projects appropriation by \$837,062 for Wetlands Mitigation Bank land purchases and decrease Balance Available by the same amount.

### ***Ambulance Transport Fund***

- Recognize Interfund Transfer revenue in the amount of \$282,100 from the General Fund and increase Fire and Emergency Medical Services Department operating appropriations by the same amount to provide one-time funding for an 18-month period for the Medic 10 Advance Life Support ambulance medic unit. The department anticipates that ongoing salary and employee expenses associated with the additional personnel will be offset by lower overtime rates. Medic 10 is not included in the Community Safety Initiative bridge or ongoing funding.

### ***Corrective Actions***

On the December Supplemental Budget, there were publication errors that misstated the Beginning Working Capital for the following Funds. To correct these errors the following actions must be taken:

- **Telecom Registration/Licensing Fund** – Reduce Beginning Working Capital by \$429,913 and reduce Balance Available by the same amount.
- **Library, Parks, and Recreation Special Revenue Fund** – Reduce Beginning Working Capital by \$150 and reduce Balance Available by the same amount.
- **General Capital Projects Fund** – Reduce Beginning Working Capital by \$11,747,259, reduce Balance Available by \$11,727,055, and reduce Capital Carryover by \$20,204.
- **Transportation Capital Projects Fund** – Increase Beginning Working Capital by \$75,917 and increase Balance Available by the same amount.

### ***Municipal Airport Fund***

- On the December Supplemental Budget, the Reserves balance was calculated incorrectly. Because of this error the following corrective actions must be taken, reduce Reserves by \$7,837,173 and reduce Balance Available by the same amount.

### ***Parking Services Fund***

- On the December Supplemental Budget, \$300,000 in Capital Projects were incorrectly categorized as Planning and Development Department operating appropriations. Because of this error the following corrective actions must be taken, reduce Planning and Development Department operating appropriations by \$300,000 and increase Capital Projects by the same amount.

In FY19, the City transitioned to a new budgeting system, which contributed to errors on FY19 SB1. Additional safeguards have been implemented to ensure accurate calculations in the future.

Transactions included in this Supplemental Budget conform to the City's Financial Management Goals and Policies.

#### **PREVIOUS COUNCIL DIRECTION**

None

#### **COUNCIL OPTIONS**

Particular requests requiring more information or discussion may be removed from the Supplemental Budget and delayed for action until the following fiscal year Supplemental Budget. In certain cases, there may be financial, legal or operational impacts to delaying budget approval.

These impacts may include Oregon Local Budget Law violations due to exceeding the legal appropriation levels. The Council may also adopt amended appropriation amounts or funding sources for specific items included in this Supplemental Budget.

#### **CITY MANAGER'S RECOMMENDATION**

The City Manager recommends adoption of the attached resolution adopting the Supplemental Budget.

#### **SUGGESTED MOTION**

Move to adopt Resolution 5268 adopting a Supplemental Budget; making appropriations for the City of Eugene for the fiscal year beginning July 1, 2018 and ending June 30, 2019.
