

SURVEY #2

Summary of Public Input May 14, 2019

The following information collected from the public survey will be used to inform the development of Striker Field Park.

The survey was active on the project website from April 12th, 2019 through May 13, 2019

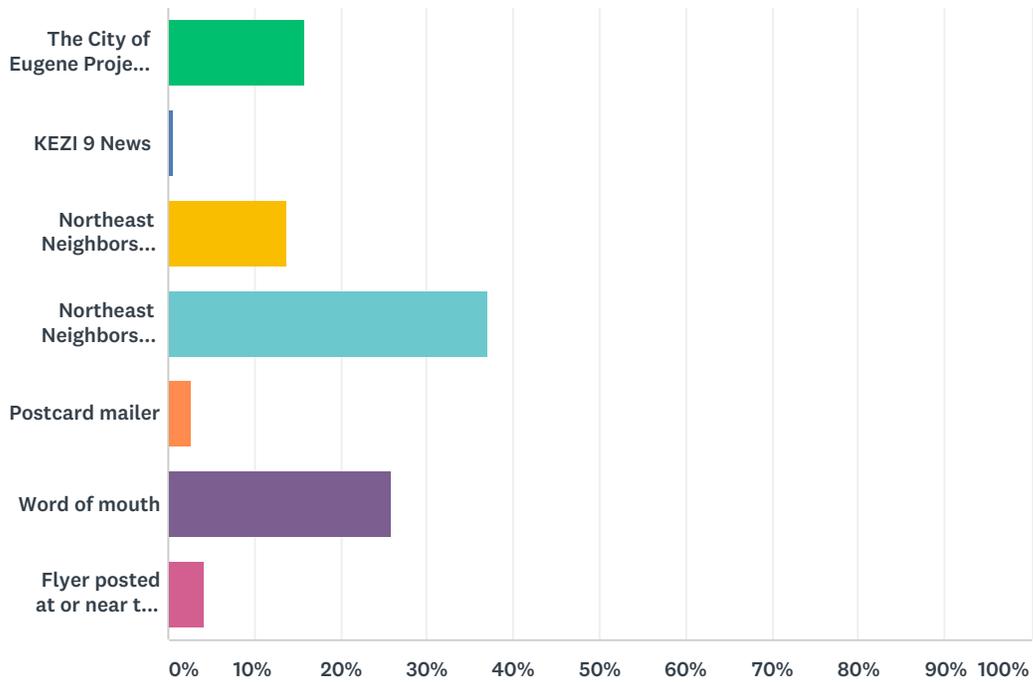

Striker Field Park

May 14, 2019

Q1 What is your MAIN source for finding current updates on Striker Field Park? (Choose only 1)

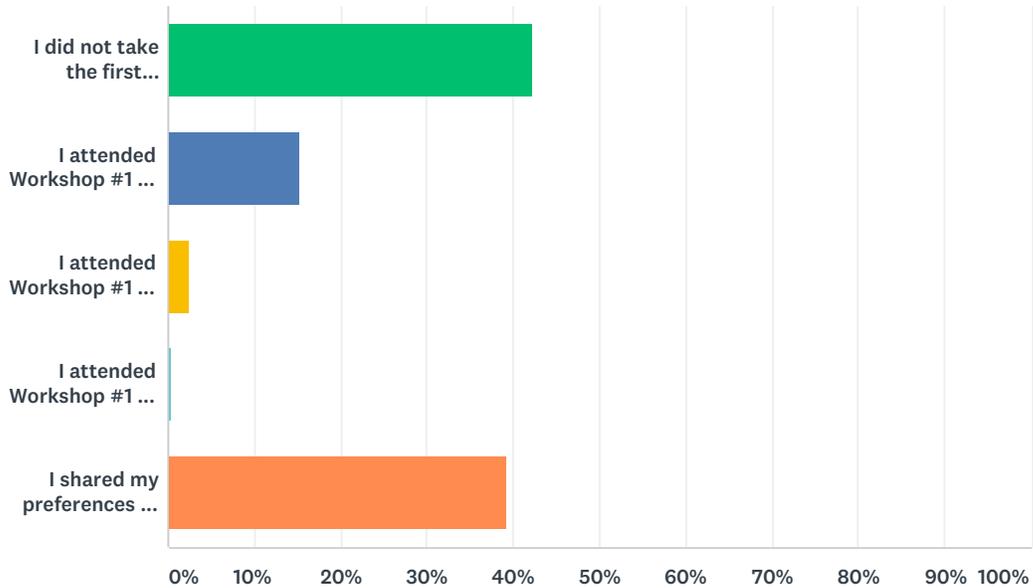

Answered: 189 Skipped: 7

ANSWER CHOICES	RESPONSES	
The City of Eugene Project Website " https://www.eugene-or.gov/strikerfield "	15.87%	30
KEZI 9 News	0.53%	1
Northeast Neighbors Website	13.76%	26
Northeast Neighbors Newsletter	37.04%	70
Postcard mailer	2.65%	5
Word of mouth	25.93%	49
Flyer posted at or near the park	4.23%	8
TOTAL		189

Q2 Which best describes your the level of your engagement in our outreach process so far?

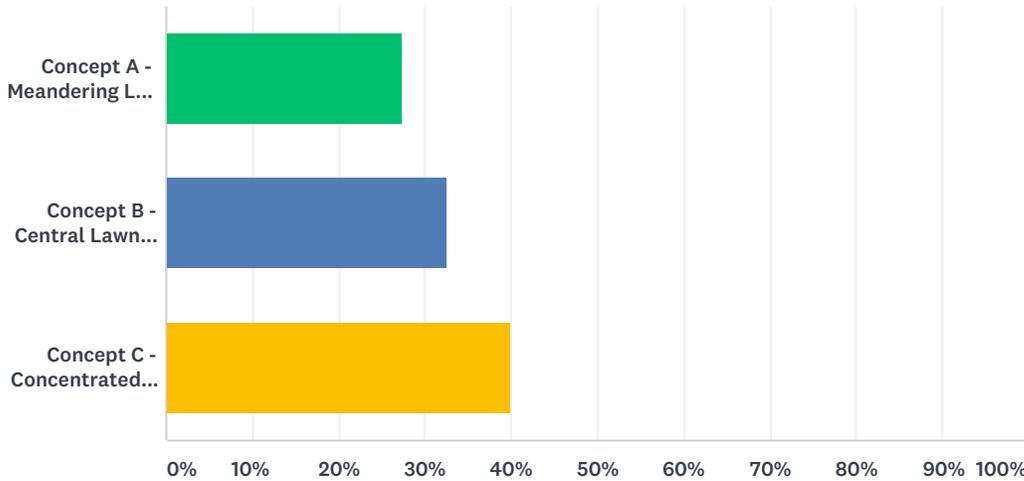

Answered: 196 Skipped: 0

ANSWER CHOICES	RESPONSES
I did not take the first survey or attend the workshop (Welcome! We are super glad you are joining us)	42.35% 83
I attended Workshop #1 & I shared my preferences in SURVEY #1	15.31% 30
I attended Workshop #1 & did NOT take SURVEY #1	2.55% 5
I attended Workshop #1 & won a prize during the work session (Yes, there were and will be prizes at the workshops, this is Mark's shameless attempt at boosting workshop attendance).	0.51% 1
I shared my preferences in SURVEY #1 & did NOT make it to Workshop #1	39.29% 77
TOTAL	196

Q3 At a very high level, we have the following major program elements shown: Irrigated Open Space, Restroom & Shelter, Playground, Court Sports, Un-irrigated Trail Loops. Elements are organized differently in the following concepts. Which plan layout do you like best? If your thinking "... I like part of Concept X and part of Y," then don't worry, we will have time to discuss hybridized ideas in the workshop. Refer to Diagram 1 above

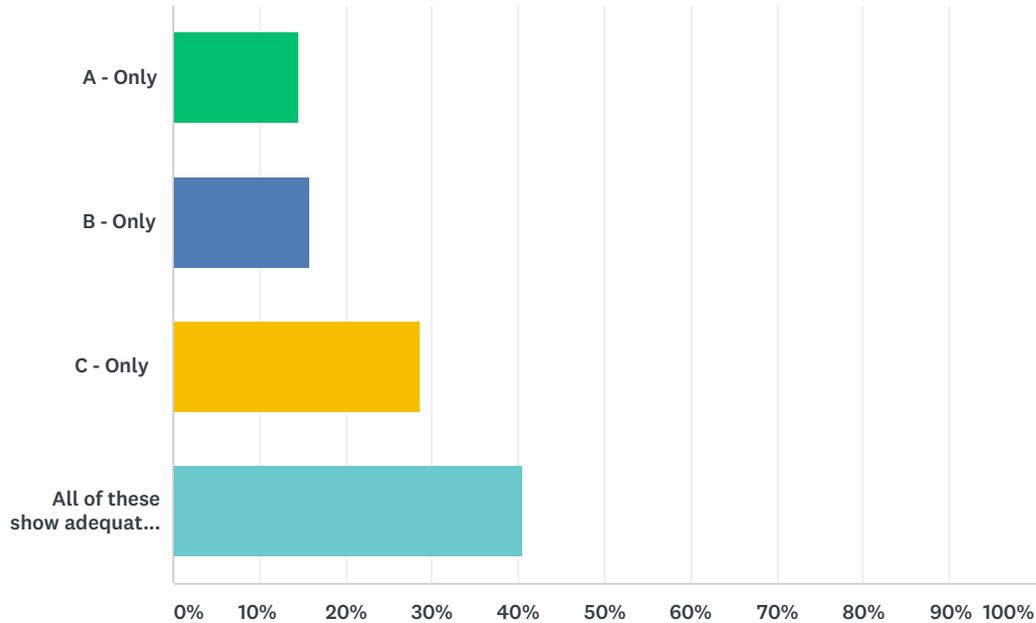

Answered: 150 Skipped: 46

ANSWER CHOICES	RESPONSES	
Concept A - Meandering Loop with Program Nodes	27.33%	41
Concept B - Central Lawn Unifies Program Elements	32.67%	49
Concept C - Concentrated Development of Program Elements	40.00%	60
TOTAL		150

Q4 Refer to Concepts A through C above. Irrigated open space (lawn) was a very high priority in the survey responses. Which of these options these do you feel BEST meets the needs of irrigated open space for your park?

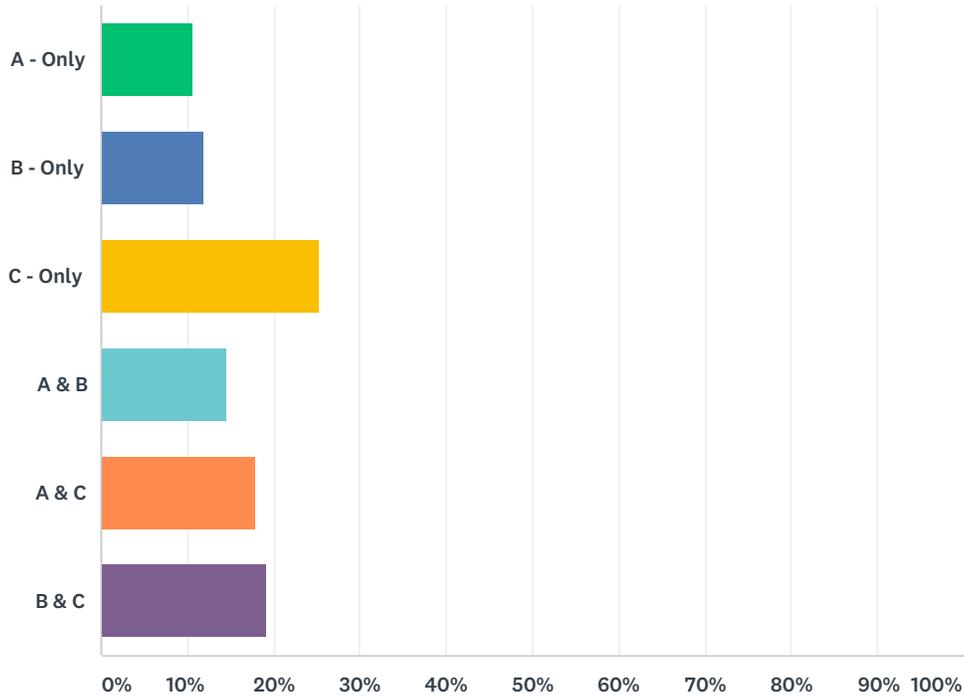

Answered: 150 Skipped: 46

ANSWER CHOICES	RESPONSES	
A - Only	14.67%	22
B - Only	16.00%	24
C - Only	28.67%	43
All of these show adequate lawn space, even room for setting up croquet if needed.	40.67%	61
TOTAL		150

Q5 Refer to Concepts A through C above. A restroom and shelter location is shown in each option, consider your main reason for visiting a park when answering. Which concept shows a restroom configuration that BEST meets your visitation needs?

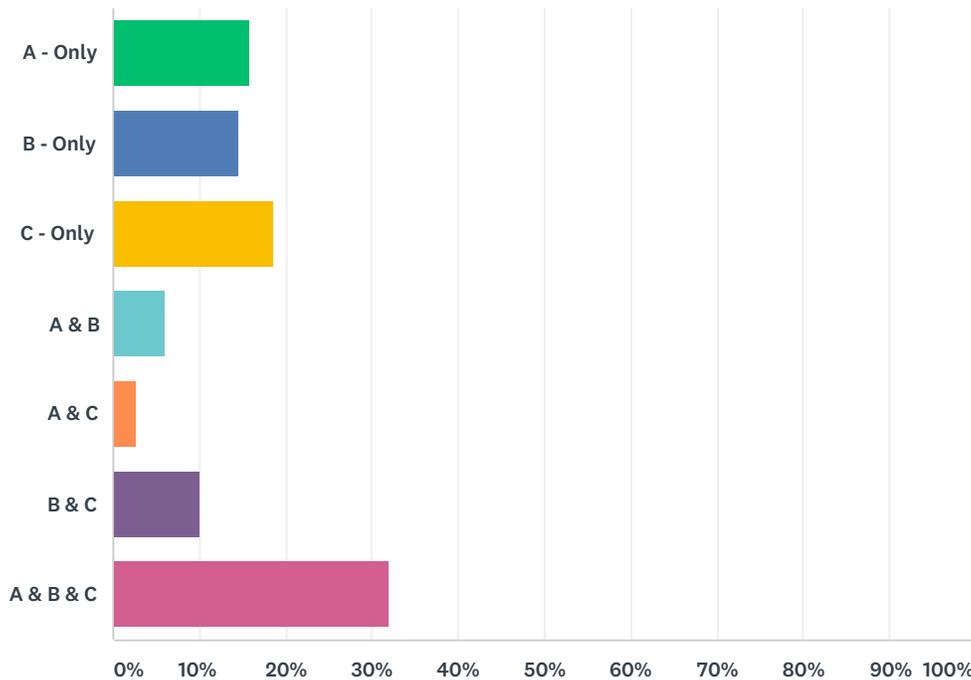

Answered: 150 Skipped: 46

ANSWER CHOICES	RESPONSES	
A - Only	10.67%	16
B - Only	12.00%	18
C - Only	25.33%	38
A & B	14.67%	22
A & C	18.00%	27
B & C	19.33%	29
TOTAL		150

Q6 Refer to Concepts A through C above. You'll notice that on street parking along Grand Cayman Drive holds approximately 30 vehicles on the west side of the road adjacent to the park. Imagine yourself coming to the park for your favorite activity (playground, toss a frisbee in the open space, meet friends for courts sports, etc.) Which concept layout is MOST CONVENIENT for your park use needs? Hint: look at the number of entry points to the park. Don't worry, we have a parking lot scenario question coming up too.

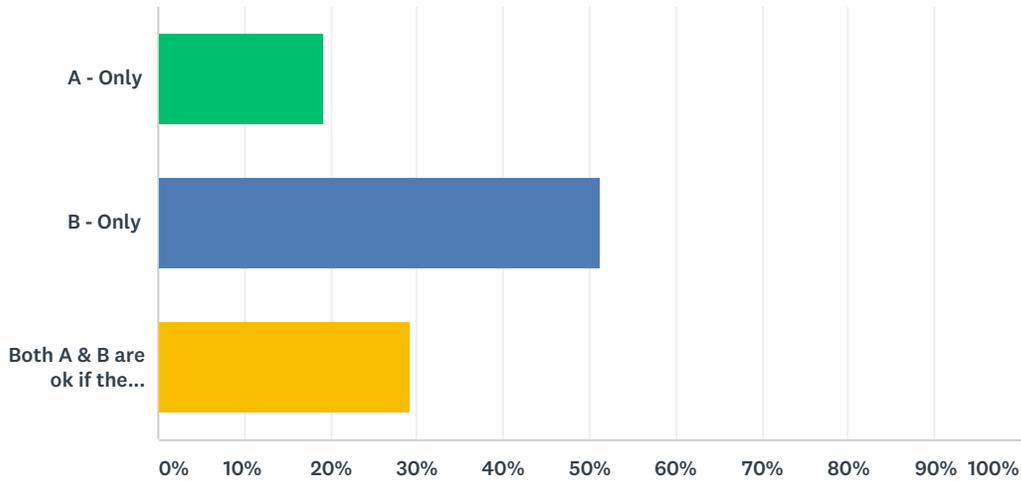

Answered: 150 Skipped: 46

ANSWER CHOICES	RESPONSES	
A - Only	16.00%	24
B - Only	14.67%	22
C - Only	18.67%	28
A & B	6.00%	9
A & C	2.67%	4
B & C	10.00%	15
A & B & C	32.00%	48
TOTAL		150

Q7 Refer to Diagram 2 above. This is a hypothetical parking lot scenario, assumes that there are some vehicles/users already parked along Grand Cayman Rd. An organized activity such as pickle-ball brings an additional 30-40 single occupancy vehicles to the park. Which of the following two scenarios would be acceptable for the OCCASIONAL parking overflow needs at the park?

Answered: 150 Skipped: 46

ANSWER CHOICES	RESPONSES	
A - Only	19.33%	29
B - Only	51.33%	77
Both A & B are ok if the parking lot doesn't elements away from the park	29.33%	44
TOTAL		150

Q8 Do you have anything else you would like to share with us?

Answered: 150 Skipped: 46

Striker Field Park - Survey #2

Q8 Do you have anything else you would like to share with us?

Answered: 150 Skipped: 46

#	RESPONSES	DATE
1	I believe the park should have a small area for off-leash dogs and a water spray area for children.	5/12/2019 5:19 PM
2	Don't take up park space with a parking lot-there is plenty of on street parking available.	5/11/2019 10:52 PM
3	The extra parking lot is a necessity	5/11/2019 2:10 PM
4	my house faces grand cayman and I don't want people parking in front of my house because we have friends & family who visit and won't be able to park there.	5/11/2019 12:07 PM
5	I live on the corner of Barbados & Grand Cayman & will be greatly impacted. I don't want our driveway used as a turnaround & don't want people parking in front of our house.	5/11/2019 12:03 PM
6	no	5/11/2019 7:48 AM
7	Worried about traffic volume on Grand Cayman. Need access and parking from Coburg Road.	5/10/2019 9:56 PM
8	I appreciate seasonal, clean restrooms and at least a few off street parking spots because it is safer for kids and handicap people.	5/10/2019 6:32 PM
9	no	5/10/2019 4:49 PM
10	No	5/10/2019 2:49 PM
11	We won't be able to let's our dogs run back there anymore. Disappointing.	5/10/2019 2:49 PM
12	I'm a neighbor on Lord Byron Pl., and I love the idea of having a basketball court, I just don't want to hear it all the time, so my vote is for plan A. Also the shelter and bathroom is the furthest away, so I'll feel less invaded and safer.	5/10/2019 10:31 AM
13	A is not a good choice for people who live in the neighborhood!	5/10/2019 8:39 AM
14	nope	5/9/2019 5:37 PM
15	I think that the parking lot is very important. It would be great if space didn't need to be used for that, but a parking lot really seems appropriate when adding such a great park that will draw lots of cars. Long term, having a parking lot is really key.	5/9/2019 9:47 AM
16	No	5/8/2019 8:23 PM
17	I live on St. Kitts Ave. The streets in this neighborhood are not wide enough to provide parking on both sides, and handle the traffic safely. Also we are worried that the side streets, which are not as wide as Grand Cayman can handle all the parking.	5/8/2019 8:02 PM
18	We would love a Bocce Ball Court. It is a great game for families and courts are relatively small. We would be willing to bring our own balls is sand courts are made available.	5/8/2019 5:42 PM
19	Not now.	5/8/2019 1:03 PM
20	No	5/8/2019 12:54 PM
21	Please include an area for large dogs! Many people in the area have large dogs and we frequently use the field.	5/8/2019 9:36 AM
22	Limit Parking on Grand Cayman	5/8/2019 9:19 AM
23	we don't want to have the main access to the park on Grand Cayman Dr. Please don't build the park until a Coburg Road access is made available.	5/8/2019 4:27 AM
24	No	5/7/2019 7:40 PM
25	We don't want to have the main access to the park on Grand Cayman Dr. Please don't build the park until a Coburg Road access is made available. -Friends of Grand Cayman Dr.	5/7/2019 7:26 PM
26	Need to be able to access the park from Coburg Rd. Having everyone driving through the Crescent Meadows neighborhood to access the park will cause many problems!!	5/7/2019 6:00 PM

Striker Field Park - Survey #2

27	No	5/4/2019 6:57 PM
28	Please do plastic instead of metal slides. The metal slides get really hot in the summer. Please face the restroom opening towards the playground. It always concerns me when a kid runs to the restroom and we can't see the opening well from the park. (I go over with my kids, but other people don't always.)	5/2/2019 2:19 PM
29	Ok	5/2/2019 9:02 AM
30	I would prefer not to have a restroom in the park because I have seen the social/criminal problems that a public restroom draws to a park. I am also opposed to on-street parking on Grand Cayman. Your drawings show the cars lined up on the park side of the street. Most people would enter Grand Cayman from Crescent and be facing the other way. They would either park in front of houses or turn around in the street or peoples' driveways to park on the park side. This is not safe for my neighborhood. I live in Crescent Meadows.	5/1/2019 9:34 PM
31	Thanks for the creation of a Park, is much needed	5/1/2019 12:29 PM
32	The idea of the park is fine. I prefer plan b but there or benefits to the others as well. My main concern here is that the crescent Meadows neighborhood is not negatively impacted by a bunch of extra cars that aren't needed on the crescent meadow streets. I believe that parking spaces and main access from Coburg road would be the best choice for this project. I also believe that this project should be approached with the idea of minimal impact for the crescent neighbors and crescent village neighborhoods as well as the church and properties on the other end. To me the logical access and parking area for this part should be on Coburg road.	5/1/2019 9:54 AM
33	Event space is needed in this area, especially since it will be one of the only N Eug Park with a restroom. Think movies in the park music groups maybe Roving Players. Access to electrical should be considered.	5/1/2019 7:41 AM
34	I'm excited for the potential of pétanque courts at this location!	5/1/2019 6:53 AM
35	It is imperative and logical to collaborate with 4J schools to collaborate in building and maintaining a parking lot that can be used by the park patrons as well as the school patrons.	4/30/2019 11:09 PM
36	Don't allow cars to park on Grand Cayman.	4/30/2019 9:10 PM
37	Concept A feels like it needs a bit more of the one big lawn space for games like frisbee or casual soccer, I like the pocket look, but biggest lawn area seems too small. Concept C-play area seems too small, but this is closest to my preference. I'd rank it CBA Court sports near parking lot on SW side or center west side-new design to look at. Spray park for kids. None in our area and we often drive to S Eugene Washington spray park to play. Small fenced area for off leash dogs so they stop using the general field for that. Consider covered basketball court for year round use, also, could one hoop be adjustable for younger kids play? Good sized playground. Crescent Park is small and serves a lot of people. more kids are moving into our area and could use space to run, climb, and play. Mix of natural and traditional structures would be awesome. Have the bark trail meander, perhaps taking advantage of the designated "wetland" area that doesn't appear wet (maybe because of the yummy blackberry bushes). Locking dawn/dusk bathroom. Could lighting be solar powered. Not sure the berm/slope is needed. BTW, we live in walking distance (not asked in this survey).	4/27/2019 12:11 PM
38	keep the restroom away from residential's area. keep the restroom lock up as it gets dark. recommend to have a security guard tour the park at night to make sure safety for the community/residents who live near the park.	4/27/2019 7:18 AM
39	No	4/25/2019 5:31 PM
40	Please have some off street parking.	4/25/2019 1:55 PM
41	A parking lot with access from Coburg road is a must	4/25/2019 9:19 AM
42	Will there be a specific dog play area?	4/24/2019 1:00 PM
43	This is a travesty!! You are essentially putting at risk any of the people who live on Grand Cayman Dr. We don't want more traffic, there is no parking lot and we were promised that there would be NO TRAFFIC on Grand Cayman. Why are we making this a highway? We were promised a Coburg access through the industrial area NOT through a private street. The residents don't want any of these drawings nor a park. We have a park. Why are you ruining a beautiful neighborhood???	4/24/2019 12:20 PM

Striker Field Park - Survey #2

44	Great concept plans although it appears park has a very strong orientation to Grand Caymen while ignoring potential ingress/egress from other directions. Please add planned bike/pedestrian connections to adjacent properties and in the direction of planned future street connections. For example, how are the sidewalks at the terminus of Lord Byron going to connect to the park? Can this be an attractive entrance for bike/ped? What about connections to and from Shadow View (as it is extended)?	4/24/2019 10:22 AM
45	no	4/23/2019 7:59 PM
46	The streets in the subdivision are narrow. Increased pressure from traffic and parking has not been adequately considered. Park access including parking spaces must be included in the planning process. Access from Coburg is a possible solution.	4/23/2019 6:16 PM
47	The park needs to have a street on the West side with access from Coburg road.	4/23/2019 6:07 PM
48	IN terms of the petanque courts it would be better if you combined them into one larger playing area.	4/23/2019 3:15 PM
49	All three concepts show the restrooms close to the playground area, which is good but only "C" shows them close to the court sports also, as older adults will use the pickle ball, & Petanque courts it is good the have the restrooms close to them also.	4/23/2019 8:55 AM
50	I am very much against planned parking on grand cayman. Previous discussions always had parking access from coburg rd. This will have negative traffic effects on the adjacent neighborhood. I am also very much against having restrooms. This will keep the local neighborhood flavor to the park and reduce car commuting to the park.I and save money!	4/23/2019 7:47 AM
51	No	4/22/2019 9:56 PM
52	DEDICATED BUS ROUTES & BIKE STATIONS TO REDUCE PARKING. SOLAR POWER GENERATION AND LED LIGHTING TO LOWER CARBON FOOTPRINT. SIGNAGE TO DISCOURAGE PLASTIC USAGE AND RECYCLE BINS FOR METAL AND PAPER. BAN USE OF CHEMICAL FERTILIZERS, INSECTICIDES AND GASOLINE POWERED VEHICLES ON LAWN.	4/22/2019 3:43 PM
53	No, thank you	4/22/2019 10:17 AM
54	As someone who lives in the Martinique area, i'd really like to keep the noise level down, so concept C which puts the courts and playground back and south a bit sounds best for me.	4/22/2019 9:36 AM
55	Being the only home that actually faces the park, we understood that there would not be parking on Grand Cayman except for a few spaces facing into the park. Neither scenario shows this. This a grave concern to us.	4/22/2019 7:56 AM
56	No	4/22/2019 6:39 AM
57	I am really concerned about the traffic this park will bring to my neighborhood with the only car access being grand cayman. I also live right across the park and having on street parking only will interfere with the peaceful neighborhood I live in and safety of my children playing our front. We don't need another park in our neighborhood. Put the park close to the apartments where those children can access it and create another car park entrance from there.	4/21/2019 10:10 PM
58	Provide adequate parking and bathrooms.	4/21/2019 2:46 PM
59	Only that you did a fine job.	4/20/2019 5:05 PM
60	I don't like (A) - too dispersed, not enough irrigated lawn area to have pick-up games, and just a bit too cluttered for mer. I like (C) best, think having the higher use activity areas (playground, shelter, courts) concentrated towards the densest housing makes sense (C) , although I would swap the locations of the playground and the courts in that scenario. Also think more irrigated turf is better. If you look around at existing unirrigated turf areas (see Oakmont) they are not very functional or attractive. What I like about (B) is the larger concrete path loop - I think having a hard surface loop as large/lengthy as possible is best. The natural areas in all scenarios seems overly complicated, I would suggest simplifying it, and not trying to do too much with this area. Its almost impossible to 'create' functional natural areas from scratch.	4/20/2019 4:55 PM
61	Earlier surveys wanted minimal parking on Gran Cayman with an undulating sidewalk. There is no mention of the parking area donated by 4J and the access point to park off Colbert with connections on Shadow View and Melville'.	4/20/2019 3:59 PM
62	Thank you for all your work on this project.	4/20/2019 10:50 AM

Striker Field Park - Survey #2

63	I live on Antigua and I'm very concerned with the street parking option on Grand Cayman. A parking lot elsewhere is a better option.	4/20/2019 10:44 AM
64	Why didn't you offer "none" as a choice? All scenarios show the loudest areas (court sports, etc.) off Lord Byron. Why don't you show a layout with the court sports on the north side of the park or in the middle? You must make space for on-site parking otherwise Grand Cayman will be one unpleasant street to live on.	4/20/2019 9:30 AM
65	no	4/19/2019 9:45 PM
66	We need to have a connection to Coburg Rd. and not pressure the local community with excess vehicles parking on the street.	4/19/2019 7:32 PM
67	Do not have parking in Crescent Meadows, have it off of Coburg road. The latter is more commercial the former is for residences not public parking! Geez	4/19/2019 12:40 PM
68	no	4/19/2019 12:05 PM
69	I think we need access from Coburg Rd. Parking will be an issue, perhaps we can make the parking lot bigger on Striker Field.	4/19/2019 11:58 AM
70	Not at this time.	4/19/2019 9:28 AM
71	I don't like the idea of a restroom at the park. People use drugs and leave needles in every park bathroom I've used in Eugene.	4/18/2019 8:49 PM
72	No restrooms	4/18/2019 8:47 PM
73	Would be great to have a park with bocce, can find other pickleball but not bocce	4/18/2019 8:33 PM
74	Need bocce ball! No other park has it	4/18/2019 8:25 PM
75	Bocce ball please!!! Not so much Pentenque! More irrigated lawn! Lots of space for pets to! Maybe even a little pond/lake thingy!	4/18/2019 8:14 PM
76	Bocce ball please, don't make all the small courts pétanque!!!	4/18/2019 8:13 PM
77	No bathrooms please	4/18/2019 8:05 PM
78	Parking could come in near townhomes and have a parking lot there	4/18/2019 8:01 PM
79	We were told that there would be no parking on Grand Cayman. Cars were to be coming in from Coburg Rd and parking in a lot that did not go through to Grand Cayman at all. Parking on Grand Cayman would cause way too much congestion in our neighborhood. We do not want park traffic on Grand Cayman!	4/18/2019 7:14 PM
80	I would like to see other access and parking areas to this park as I live in Crescent Meadows and our neighborhood can't handle all the extra traffic. There needs to be access and parking from Coburg road. This is a peaceful neighborhood and all the traffic will disrupt that and put the children and pedestrians at risk.	4/18/2019 7:12 PM
81	No.	4/18/2019 5:00 PM
82	ACCESS THROUGH COBURG ROAD IS A REQUIREMENT. GRAND CAYMAN CANNOT ACCOMMODATE THIS MUCH TRAFFIC IN A SAFE MANNER.	4/18/2019 11:50 AM
83	would like to make sure there are lights in the park for safety	4/18/2019 11:19 AM
84	Trash cans for dog poop or people won't pick up.	4/18/2019 7:06 AM
85	Please don't build a parking lot. I live in Crescent Meadows and everyone he is clamoring for a parking lot because they dont' want their precious street to have cars. this is a horrible idea. The street is a public right of way not owned just by us. It is such a waste to use resources on parking, when the city has already paid for it with the roadway on Grand Cayman. Modificaitons to the street will be necessary to clam traffic speed and shorten distances between sides of the street at crossing to make it safe.	4/18/2019 5:53 AM
86	Need another vehicle access to park beside Grand Cayman Dr.	4/17/2019 7:54 PM
87	Keeping the restroom near the largest concentration of park users is not only convenient, but keeps eyes and ears on the building where in some other parks incidents have occurred.	4/17/2019 1:53 PM
88	Drinking fountains, and community garden space with storage for tools.	4/17/2019 9:35 AM
89	No.	4/17/2019 9:32 AM

Striker Field Park - Survey #2

90	Important to ensure walking trails for both people and pets	4/17/2019 8:35 AM
91	no	4/17/2019 8:22 AM
92	No	4/17/2019 8:19 AM
93	pickle ball and petanque areas greatly appreciated	4/17/2019 7:54 AM
94	No	4/17/2019 7:11 AM
95	no	4/17/2019 6:51 AM
96	No	4/17/2019 6:44 AM
97	Please consider signaled cross walks AND stop signs on all streets that feed to the park. There are not stop signs on most Crescent Meadows neighborhood streets.	4/17/2019 6:37 AM
98	I am seeing transients looking the park over and leaving garbage on the street in front of my house on Lord Byron near the park. Is it going to be less safe they have already said they have a right.	4/17/2019 4:06 AM
99	no	4/17/2019 12:43 AM
100	No	4/16/2019 11:42 PM
101	I think you have done a great job thinking this through and hope to get the parking lot not just on street parking. There are way to many people in this area to not have a lot.	4/16/2019 11:34 PM
102	A unique area for those senior citizens where one can relax, read or sports activities for seniors at times.	4/16/2019 11:14 PM
103	Forcing Grand Cayman and adjacent residences to accommodate on-street parking in the absence of a dedicated area for parking would be a huge mistake. Even herringbone or straight-in parking off Grand Cayman would be preferable to ruining the neighborhood with curbside parking everywhere.	4/16/2019 10:34 PM
104	No thanks.	4/16/2019 10:21 PM
105	I am really concerned with road connectivity and future development of the 4j property. If this was to be development into homes they would have to connect lord byron and grand cayman into the future site of 4J. With the student growth in our area this elementary school is imminent. If we don't take road connectivity in to the design of this parcel we will completely block all of Crescent Meadows and Hawthorne Estates from easy access to the local elementary school. I believe we should at least consider this when developing this piece. It would be a shame for the hundreds of houses to have to drive a mile around to drop kids off when the school is a few hundred yards away.	4/16/2019 10:14 PM
106	The park concept is good but it is not a good idea to allow parking in front of the home. Cars on both sides of the street will be dangerous for the moving traffic.	4/16/2019 9:35 PM
107	I love the great layouts. I hope layout B wins.	4/16/2019 9:31 PM
108	Don't want cars to park on Grand Cayman!! That would just overcrowd the neighborhood that I live in. Parking lot is the only way to go.	4/16/2019 9:25 PM
109	Very excited about this future park!	4/16/2019 9:25 PM
110	No	4/16/2019 9:21 PM
111	No	4/16/2019 8:56 PM
112	on street parking on Grand Cayman Road is very intrusive to the neighborhood. This was NOT in original plan and this adds stress on already existing homes. This will greatly affect value of these homes that buffer Grand Cayman.	4/16/2019 8:54 PM
113	No	4/16/2019 8:45 PM
114	adequate police patrol of park and especially restrooms.	4/16/2019 7:57 PM
115	Add a small parking lot	4/16/2019 7:18 PM
116	Nope	4/16/2019 7:04 PM

Striker Field Park - Survey #2

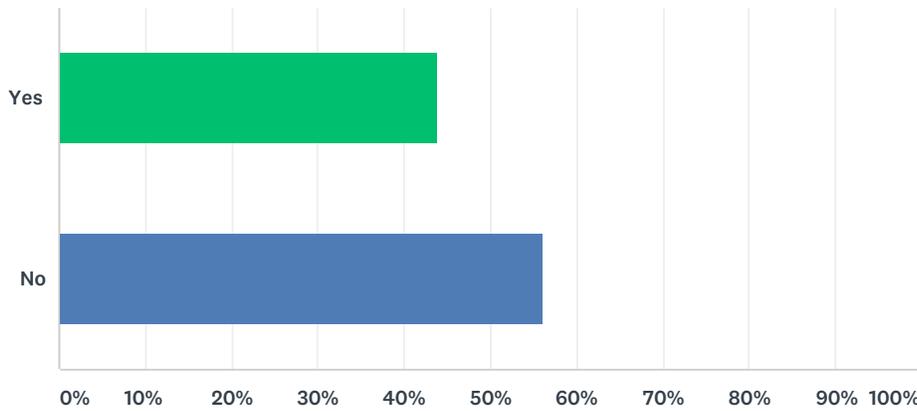

117	That area is one of the few neighborhoods where apartment complexes allow pets. That fact draws a lot of pet owners to the area. It would be nice to see an off-leash dog park in the area to preserve the community of neighbors who gather every day with our dogs at the field. There's already a playground in that neighborhood for kids and there are so many dog owners who will lose out.	4/16/2019 5:47 PM
118	As a resident nearby, my concern is the amount of road traffic being funneled into the park through Grand Cayman when there is significant traffic already on Crescent. Would more stop signs or a light or speed bumps be installed to help keep the residential peace in tact?	4/16/2019 5:33 PM
119	Please include lots of lighting at night. Bathrooms should be single room units. It would be helpful for parents with children. Verse Men's/Women's sides that don't offer privacy.	4/16/2019 4:41 PM
120	I do not believe the street is wide enough for parking on both sides. A small parking lot is needed.	4/16/2019 3:57 PM
121	I really think a designated dog park would be very important. I live nearby and use Stryker field every day with my dog...at any given time there are always 3-4 other people out doing the same and some even drive from as far as 2-3 miles just to use the field with their dog. I think making a space for those people would be important so that they don't ruin your beautiful new landscaping!	4/16/2019 3:30 PM
122	No	4/16/2019 2:25 PM
123	No	4/16/2019 2:03 PM
124	Concerned about relying on street parking to accommodate all of the parking needs.	4/16/2019 12:47 PM
125	As a homeowner and former Crescent Meadows HOA Board member, I strongly object to your assumption that it is perfectly fine to park 30+ cars on Grand Caymen. I assure you the pushback from this assumption will create enormous difficulties in your planning process. This assumption creates a traffic and safety problem in our quiet neighborhood, that will not help you to move forward with this park project. You need a parking lot designated for non neighborhood park visitors, not excess off street parking in our neighborhood. Seriously, this needs to be figured out differently.	4/16/2019 12:37 PM
126	Please consider making a strong access point from Coburg so that we don't ruin the peace and quiet of our neighborhood - which defeats the purpose of creating a "passive" park.	4/16/2019 12:01 PM
127	Great design concepts and thanks for your efforts at gathering community input. I live on St. Croix St in the Crescent Meadows subdivision. Looking forward to taking my soon-to-be granddaughter to the park in the years to come. My biggest interests are in having a safe park with a nice playground for grandkids when they are little and as they grow as well as a place to do other fun things outside. I hope that there will be some nice comfortable areas for picnics and seating areas to relax while watching the kids play. Would be good to make sure there is a bag dispenser for people to pick up after their dogs with appropriate signage regarding that and trash cans located in a variety of places. Also, will be so nice to have a park that has restrooms. Would be great if there could be a drinking fountain and a water bottle refill station; maybe a faucet for washing hands & feet?	4/16/2019 11:58 AM
128	Question 4 does not give adequate choices. The best answer is B & C. Concept A does Not give adequate lawn space. The irrigated areas are too small & split up.	4/16/2019 11:27 AM
129	I would like to be sure there is no off leash area by the kids park. Already a problem in other parks with a fields nearby.	4/16/2019 11:25 AM
130	Restrooms will only invite unwanted guests after hours.	4/16/2019 10:52 AM
131	Parking on Grand Cayman severely impacts our way of life as a resident.	4/16/2019 10:51 AM
132	no	4/16/2019 10:42 AM
133	your design (all 3 of them) adversely impact the adjoining homes, as a member of the Crescent Meadows Home Owners Association, I object to the on street parking, it will make our neighborhood dangerous and the additional traffic on Grand Cayman will endanger our residents, the traffic is already too fast along Grand Cayman with speeding, simply adding more on street parking and access along Grand Cayman is dangerous and unacceptable.	4/16/2019 10:34 AM
134	This is a NEIGHBORHOOD...please do not design the park with places to illegally live/ruin without patrol or enforcement when a problem doesn't currently exist.	4/16/2019 10:20 AM
135	I truly appreciate what you and the City are doing to make this a reality.	4/16/2019 10:11 AM
136	No street parking on Grand Caymen!!!	4/16/2019 9:55 AM

Striker Field Park - Survey #2

137	I'm concerned about restrooms. I think this is going to be overrun with transient traffic. I don't think we need it.	4/16/2019 9:41 AM
138	It looks like option A doesn't have an amphitheater?	4/16/2019 9:37 AM
139	no	4/16/2019 9:33 AM
140	No	4/16/2019 9:05 AM
141	I think the courts do better away from residents due to the sound. Hopefully it is a full size court for basketball. The close park already has a small practice type court. The older kids and adults would then also be able to play. Little kids should have paving all the way around the playground section.	4/16/2019 9:02 AM
142	I'm OK with any of the park *designs.*. My concern is for parking -- I don't want it along GC. As I said above, the way the street is laid out is already not great for visibility as in, if the timing is just right, one is coming one way as another is going the other and you don't see each other until you're nose to nose as you've both just gone through a small curve. More crowding with parking will only exacerbate this traffic hazard. Can you build a small parking lot (even if it made the park a bit smaller?). Or parking somehow on the other side of the field? There is already quite a lot of traffic on GC and I think this plan will make it much much worse, and that will negatively effect both traffic and the residents who live on GC and, to a lesser extent, Martinique and other nearby streets.	4/16/2019 8:55 AM
143	We live in Crescent Meadows with 3 small children. We will walk to the park. My biggest concerns are safety in walking to and from regarding traffic and possible squatters.	4/16/2019 8:51 AM
144	NO.	4/16/2019 8:42 AM
145	I would love to see a community garden for the residents.	4/16/2019 8:24 AM
146	Not happy about the street parking on Grand Cayman in Crescent Meadows.	4/16/2019 8:24 AM
147	Please consider residents who drive Grand Cayman daily when considering parking. Park visitors may be parking in front of residences, impacting property owners' ability to exit and enter their driveways in a safe and unobstructed manner. When there are cars parked along the curve, which may happen, driving Grand Cayman becomes an obstacle course!	4/16/2019 8:10 AM
148	N/A	4/16/2019 8:09 AM
149	no	4/16/2019 8:01 AM
150	No	4/15/2019 6:36 PM

Q9 Are you planning to go OR did you go to the second neighborhood workshop on April 24th?
