

OUTDOOR BURNING IN SPRINGFIELD CITY LIMITS & UGB

ALWAYS PROHIBITED/REQUIRE PERMITS: CONSTRUCTION/DEMOLITION OUTDOOR BURNING, COMMERCIAL OUTDOOR BURNING, INDUSTRIAL OUTDOOR BURNING.

FOR DETAILED DEFINITIONS OF THESE TYPES OF BURNS: [LRAPA's Outdoor Burning Booklet](#), Pages 6-7

*Recreational Fires not allowed if a yellow or red [HWH advisory day](#) between: **OCTOBER 1st—MAY 31st**

DEFINITIONS:

Residential Outdoor Burning: The burning of woody yard debris that has been generated around a dwelling. **Woody Yard Debris** refers to tree branches and brush. Residential outdoor burning is regulated on a daily basis, you must check the daily advisory (LRAPA website or phone number) before burning. The outdoor burning of grass clippings is prohibited county wide. Burning of fallen leaves is also prohibited [...] within the urban growth boundary of Eugene and Springfield. Yard debris transported from property of origin becomes commercial waste. Contact local fire department for permitting requirements.

Recreational Fire: Burning a small fire no larger than three (3) feet in diameter and two (2) feet in height using manufactured fire logs or clean, dry, natural firewood as fuel. This is limited to campfires, fires in chimineas, patio fireplaces, fire pits or other similar devices on private property or in designated areas on public land. No construction, demolition, commercial, yard, or trash may be burned.

HWH: Home Wood Heating—check the day's advisory level [here](#).

Below is a list of requirements for outdoor burning in Lane County. Failure to comply with these rules can result in fines.

- Attend the fire at all times. • Follow the daily start and stop burning times. Stop time is defined as the time the fire is required to be fully extinguished.
- Burn only dry, loosely stacked debris, free of dirt, rocks, and other non-combustible materials. • Have water and tools available for controlling or extinguishing the fire. • Outdoor burning in barrels is prohibited. • Materials prohibited from being burned include garbage, plastics, grass clippings, wire insulation, asbestos-containing materials, automobile parts, asphalt, petroleum by-products, tires, cardboard, clothing, petroleum-treated materials, chemically treated wood, rubber products, animal remains, or animal or vegetable matter related to any food service or preparation, or any other material which normally emits dense smoke, noxious odors, or hazardous air contaminants.
