

## Memorandum

Date: April 22, 2022

To: Users of City of Eugene Standard Specifications and Drawings

From: Jenifer M. Willer, City Engineer 

Subject: ADOPTION OF 2021 OREGON STANDARD SPECIFICATIONS, CITY OF EUGENE DRAWINGS AND AMENDMENT #1 and #2

The City of Eugene Standard Specifications (City's Specifications) shall be the 2021 Oregon Standard Specifications for Construction (Oregon Specifications) as issued by the Oregon Department of Transportation and as revised by Amendments #1 and #2. The City of Eugene Standard Drawings are readopted with modifications as part of Amendments #1 and #2. Amendment #1 and #2 are made a part of the Standard Specifications and Standard Drawings of the City of Eugene as fully and completely as if it was set forth therein.

Revisions to the Oregon Specifications are indicated by bars in the margins of the applicable sections.

The Oregon Specifications and City Drawings and Amendments #1 and #2 are **required** for all public improvement projects advertised by the City on or after April 22, 2022, and for privately engineered public improvement projects approved by the City on or after April 22, 2022.

The City amended Oregon Specifications and City Standard Drawings may be obtained by downloading the .pdf files from the City of Eugene website [www.eugene-or.gov/standardspecs](http://www.eugene-or.gov/standardspecs).
