FOR IMMEDIATE RELEASE

Southwest Airlines Adds Nonstop Seasonal Flight Between Eugene Airport and San Diego, California Starting March 11th, 2023

Eugene — September 8, 2022 — Starting on March 11th, 2023 Southwest Airlines will begin new nonstop service between the San Diego International Airport (SAN) and the Eugene Airport (EUG). The scheduled flight times (all times local) are as follows (flight times are subject to change):

EUG 2:25pm – SAN 4:35pm

SAN 12:35pm – EUG 3:05pm

“The addition of service to San Diego International Airport provides more nonstop travel options for the people in our region,” said Eugene Airport Director Cathryn Stephens, A.A.E. “We have a strong partnership with Southwest Airlines and are excited for the new seasonal flight between EUG and SAN”
